Nelson, 2004 Emphasizing conceptual understanding through the use of models and visuals this text helps students connect ideas and concepts while providing them with useful methods for teaching math to elementary school children *Mathematics for Elementary Teachers A Conceptual Approach* addresses the NCTM standards by encouraging active student participation through features such as Math Activities and Math Investigations The Math Investigations now appear on the companion website **Kenley's Line Plot Graph** Kathleen

L. Stone, 2015-03-03 There's someone I'd like you to meet down at the Elma Zoo. She's a great mathematician named Kenley the Kangaroo. Along with Kenley, children will create a line plot graph of all the friendly feet they see at the zoo. Through the interactive text and engaging illustrations, children will be given opportunities to organize and interpret data on Kenley's and their line plots. Activities and topics are included at the end of the book to provide additional enrichment opportunities. You will definitely want to add this book to your library. It is an excellent way to integrate literacy into your math curriculum as you introduce, review, and/or reteach this important math skill.
