Note: These steps are for most Motorola phones. For other phones, see your phone's user's guide.

TEST AND USE

Your phone and headset are now paired and ready to make and receive calls. To make a call:

- 1 Open the headset boom and place the headset over your ear.
- 2 On your phone, dial the number you want to call and press the **[SEND]** key.
- 3 If your phone and headset are successfully paired, you will hear ringing on the headset.

After you have successfully paired your phone and headset, you don't need to repeat these steps. For daily use, ensure that your headset is turned ON and that your phone's Bluetooth feature is ON.

To save battery power, turn OFF the headset when you don't use it for an extended time.
