Far from being unsophisticated mass entertainment, comics and graphic fiction both imbue our contemporary culture and are themselves imbued with the concerns of law and justice. Accordingly, and spanning a wide variety of approaches and topics from an international array of contributors, *Graphic Justice* draws comics and graphic fiction into the range of critical resources available to the academic study of law. The first book to do this, *Graphic Justice* broadens our understanding of law and justice as part of our human world, a world that is inhabited not simply by legal concepts and institutions alone but also by narratives, stories, fantasies, images and other cultural articulations of human meaning. Engaging with key legal issues including copyright, education, legal ethics, biomedical regulation and legal personhood, and exploring critical issues in criminal justice and perspectives on international rights, law and justice, all through engagement with comics and graphic fiction, the collection showcases the vast breadth of potential that the medium holds. *Graphic Justice* will be of interest to academics and postgraduate students in cultural, legal studies, law and the image, law, narrative and literature, law and popular culture, cultural criminology as well as cultural and comics studies more generally. **The British Comic Book Invasion** Jochen Ecke, 2018-12-28 What makes a successful comics creator? How can storytelling stay exciting and innovative? How can genres be kept vital? Writers and artists in the highly competitive U.S. comics mainstream have always had to explore these questions, but they were especially pressing in the 1980s. As comics readers grew older, they started calling for more sophisticated stories. They were also no longer just following the adventures of popular characters; writers and artists with distinctive styles were in demand. DC Comics and Marvel went looking for such mavericks and found them in the United Kingdom. Creators like Alan Moore, *Watchmen*, *Saga*, *the Swamp Thing*, Grant Morrison, *The Invisibles*, *Flex Mentallo* and
