Julien's English Edition:

Notes on Chinese Literature Alexander Wylie, 1902 **Uncovering Julien's Past** Bailie Lawson, 2022-01-15 Helen's humdrum existence changes dramatically when a letter arrives which transports her back to the past to a time when her life was interesting and glamorous. Incredibly she realizes she is still Madame Helen Molyneux having never divorced Julien her French husband and now she has inherited his house in France. She badly needs to escape her current life and hopes her new identity will ensure that. But the house in France gradually reveals troubling secrets about Julien's life. He warns her of enemies. Are they real or a figment of his imagination? One of them a charming man wants to spend time with her. Helen wants to believe that Julien was imagining enemies. However as more of Julien's past comes to light Helen suspects that his death was suspicious and as she tries to find out what really happened she fears for her own life. **Notes on Chinese**

Building on renewed interest in the author's works in both postcolonial studies and revolutionary movements in recent years as well as travelling theory, micro history and *histoire croisée* interests in Translation Studies the volume tells the stories of translations of Fanon's texts into twelve different languages: Arabic, Danish, English, German, Italian, Norwegian, Persian, Polish, Russian, Serbo-Croatian, Swahili and Swedish bringing both a historical and multilingual perspective to the ways in which Fanon is cited today. With contributions from an international interdisciplinary group of scholars the stories told combine themes of movement and place, personal networks and agency, politics and activism, archival research and textual analysis creating a book that is a fresh and comprehensive volume on the translated works of Frantz Fanon and essential reading for scholars in translation studies, postcolonial studies, cultural studies, critical race studies and African and African diaspora literature.
