Intersectionality and Women's Access to Justice in Africa J. Jarpa Dawuni,2022-10-17 Intersectionality and Women s Access to Justice edited by J Jarpa Dawuni propounds layered intersectionality as a paradigm for examining how gendered factors affect women s access to justice whether as judges or litigants Through intersectional and decolonial frameworks the contributors analyze the lived experiences of women and their access to justice by situating the courtroom as both a spatial and a temporal arena for seeking justice as litigants and for seeking access to the bench as judges This book examines patterns of mutually reinforcing discriminatory practices that women share based on common gender identities and depending on which identities are at play at a given point in time in both traditional and statutory courts The book provides recommendations for various justice sector providers *Chemist and Druggist* ,1908 **Athenaeum and Literary Chronicle**
