***To Kill a Mockingbird* – Anticipation Guide**

The following questions touch on issues and themes we will find in our next novel.

Respond to one of the bullet points in writing. ½ page minimum.

- Describe a time when you stood up for something that wasn't popular with everyone else.
- Describe a time when someone made an incorrect assumption about you or your family.
- Describe the most important thing you learned before you were a young child.

In the table below, indicate whether you agree or disagree with each statement. Jot down a few thoughts in the 'why' – this will be important when we come back to these statements after the novel.

	Agree or Disagree?	Before Reading – Why?	Agree or Disagree?	After Reading – Why?
All men and women are treated equally in society.	disagree	Men and women are not treated equally. I think back then they thought very lowly of a woman just because she wasn't seen as strong or because they didn't they they could do the same work as men.	disagree	Although women have gained more rights and respect throughout the years I still don't think they are treat the same as men. Mostly because some people think just because she's a woman she isn't smart enough or powerful enough to accomplish the sam thing as a man.
There are set roles in society for men and women.	agree	In the book a woman's main role was to saty at home and cook, clean and take care of the children. While men went out and worked to earn money for their family.	agree	I feel the same was about it in the book.
It's okay to be different from what others think is normal.	agree	Not everyone's the same and what can be considered weird to one may be normal to another. We all come from different places with different accustomed.	agree	I feel the same
People are either all good or all evil; there is no in-between.	disagree	I think a person cant be just pure good or pure evil we all have both in us. Just some have one more than others.	disagree	I feel the same
Some words are so offensive that they should never be stated or written.	disagree	I think they could be written down or said only when trying to educate people depending on the situation.	disagree	I feel the same. Doesn't mean people should go saying stuff to peoples faces though.
