

A woman in a long, dark, flowing dress is captured in a graceful dance pose on a wooden pier. She is silhouetted against a bright, low sun that creates a strong lens flare and illuminates the scene with a warm, golden light. The sun is positioned directly behind her head, creating a halo effect. Her arms are extended outwards, and her dress is caught in motion, swirling around her. The pier is made of wooden planks and extends from the foreground towards the water. In the background, the ocean stretches to the horizon under a hazy, orange-tinted sky. Decorative elements include faint, stylized leaves and berries in the upper left corner and a small red flower-like shape on the left side.
