major leagues who adored and respected him while struggling to understand how to help him amid a culture that cultivated substance abuse childhood friends who were drawn to his daring personality warmth and athleticism and the teenager at the center of Caminiti's October 2004 trip to New York City during which he overdosed and died **Baseball Cop** Eddie Dominguez, Christian Red, Teri Thompson, 2025-04-08 Exposing trafficking theft fraud and gambling in the major leagues a founding member of the MLB's Department of Investigations reveals a news breaking true story of power and corruption In the wake of 2005's sometimes contentious sometimes comical congressional hearings on performance enhancing drugs in baseball and the subsequent Mitchell Report Major League Baseball established the Department of Investigations DOI An internal and autonomous unit it was created to not only eliminate the use of steroids but also to rid baseball of any other illegal unsavory or unethical activities The DOI would investigate the dark side of the national pastime gambling age and identity fraud human trafficking cover ups and more with the singular purpose of cleaning up the game Eduardo Dominguez Jr was a founding member of that first DOI team leaving a stellar career with the Boston Police Department to join four other supercops a group that included a 9 11 hero a mob buster and narcotics experts keeping watch over Major League Baseball A decorated detective as well as a member of an FBI task force Dominguez was initially reluctant to leave his law enforcement career to work full time in baseball He had already seen the game's underbelly when he worked as a resident security agent RSA for the Boston Red Sox in 1999 and became wary of the game's commitment to any kind of reform Only at the persuasion of a widely respected NYPD detective tapped to lead the DOI did Dominguez agree to join the unit which was the first and last of its kind in major American sports We could clean up this game his new boss promised In **Baseball Cop** Dominguez shares the shocking revelations he confronted every day for six years with the DOI and nine as an RSA He shines a light on the inner workings of the commissioner's office and the complicity of baseball's bosses in dealing with the misdeeds compromising the integrity of the game Dominguez details the investigations and the obstacles from the Biogenesis scandal to the perilous trafficking of Cuban players now populating the game to the theft of prospects signing bonuses by buscones street agents and even clubs employees He further reveals how the mandates of former senator George Mitchell's report were modified or ignored altogether Bracing and eye opening **Baseball Cop** is a wake up call for anyone concerned about America's national pastime **Arkansas Law Review**, 2009 Symposium, 2008 **"The" Athenaeum**, 1895 United States Supreme Court Reports United States.
