American Twilight Kristopher Woofert, Will Dodson, 2021-06-01 Tobe Hooper's productions which often trespassed upon the safety of the family unit cast a critical eye toward an America in crisis. Often dismissed by scholars and critics as a one-hit wonder thanks to his 1974 horror classic *The Texas Chain Saw Massacre*, Hooper nevertheless was instrumental in the development of a robust and deeply political horror genre from the 1960s until his death in 2017. In *American Twilight*, the authors assert that the director was an auteur whose works featured complex monsters and disrupted America's sacrosanct perceptions of prosperity and domestic security. *American Twilight* focuses on the skepticism toward American institutions and media and the articulation of uncanny spaces so integral to Hooper's vast array of feature and documentary films made for television, movies, television episodes, and music videos. From *Egg Shells* (1969) to *Poltergeist* (1982), *Djinn* (2013), and even Billy Idol's music video for *Dancing with Myself* (1985), Tobe Hooper provided a singular directorial vision that investigated masculine anxiety and subverted the idea of American exceptionalism.

Mayberry, 2004-07. *Everyday Arguments* combines a practical student-oriented argument rhetoric with an anthology of illustrative readings drawn from arguments of everyday life. The rhetoric portion of the text contains a four-part taxonomy and guides students through the process of generating, drafting, composing, and revising written arguments. The anthology of readings is closely tied to the principles and practices introduced in the rhetoric section. Throughout the text, the author emphasizes that much can be learned about written argument and its practice from the texts we encounter on a daily basis. Writing-intensive exercises in each chapter encourage students to practice new skills as they learn them while refreshing their knowledge of previously mastered skills. These exercises emphasize the value of collaboration, revision, and responsible research. Helpful student samples encourage students in their own writing. *The Writers Directory*, 2013.
