*Responsible Reproductive Choice in the 21st Century* Malcolm de Roubaix, 2023-01-05 This book systematically traces the development significance and implications of female reproductive choice Paramount is the right to safe termination of pregnancy TOP In the USA these rights are under threat after the reversal of Roe v Wade 1973 confirming the eternally contested nature of the pro life pro choice standoff The approach is unique and from all angles historical social emotional and legal South African experience is evaluated against a global backdrop Arguing from an ethics of responsibility the book presents a justified balanced rational and moderate position on the moral acceptability of TOP It

proposes that the morality TOP be evaluated by balancing inherent foetal moral significance against contingent potentiality context and circumstance that may determine foetal development TOP is a choice a woman faces with each pregnancy It always has moral implications exclusive to the life of the woman So too do continued pregnancy and parenthood but these are of greater magnitude and duration Applying Dialogic Pedagogy Cynthia Z. Cohen, 2018-08-15 Recent academic research criticizes the effectiveness of traditional lecturing methods and instead shows the pedagogical effectiveness of active learning methods especially discussion based education Drawing on the dialogic writings of Bakhtin Freire and Habermas this study reviews the five primary themes cited in active learning research improvements in student concentration socialization in disciplinary norms scaffolding towards higher critical thinking inclusion of non traditional learning styles and reduction of student absenteeism Testing these findings in a discussion based undergraduate college education classroom this study finds significant improvements towards higher critical thinking skills increased student concentration and reduced student absenteeism However the study finds questionable effectiveness of discussion based teaching for socializing undergraduate college education students in disciplinary norms *Journal of the National Cancer Institute* ,1990 Organization and Administration of Physical Education Jayne D.
