Marshall County Mary Carol Miller,1998 **William Faulkner in Holly Springs** Sally Wolff,2025-03-04 William Faulkner in Holly Springs describes places and people in this small Mississippi town and defines how these newly identified individuals and locales affected Faulkner s writings Author Sally Wolff uncovers new information about Faulkner s sources and examines how the town of Holly Springs its people and its culture influenced the Nobel Laureate and the literature he produced Wolff argues that this information can serve as touchstone sources for some of Faulkner s most renowned fiction including *The Sound and the Fury* *Absalom Absalom* *Intruder in the Dust* and *Requiem for a Nun* Information from various interviews with over twenty current and former citizens of Holly Springs also helps to reveal Faulkner s presence in this small town and the ways in which he drew from and then transformed what he found there into some of the greatest works in American letters A clearer understanding of Faulkner s sources helps elucidate the breadth of creativity and imagination with which he forged his world famous literature **Marshall County** Gary L. Huddleston,Carol Aldridge,Virginia Smith,2006 In the early 19th century settlers established ferries across the Tennessee River in Kentucky and grew crops including corn and tobacco Small communities formed around schools and crossroads Cheap land prices and lust for westward expansion fueled population growth In 1842 Marshall County was created and named for Chief Justice John Marshall Over the next 100 years some roadside communities grew into small prosperous towns James Love founded

Birmingham a port on the Tennessee River which became the county s largest community Downriver Gilbertsville profited from river traffic and rail transportation while Hardin and Calvert City developed strictly around rail stops Benton slowly matured as the county seat Still the county was mostly rural farming communities until the devastating flood of 1937 brought the Tennessee Valley Authority to Gilbertsville to build Kentucky Dam Marshall County Sherrill Wadham Sparks, Marshall County Historical Society, 2014-11-17 The Oregon California Trail carried more than 100 000 settlers west over the prairies of the future state of Kansas in the mid 1800s Pioneers and Pony Express riders crossed the Big Blue River at Independence Crossing or at Frank Marshalls ferry near present day Marysville In 1846 members of the Donner Party discovered and named Alcove Spring now one of 20 county sites listed in the National Register of Historic Places The Kansas Territorial Legislature established Marshall County in 1855 After the Civil War rich soil and abundant water attracted farmers and its location attracted railroads and industry Today the same occupations still sustain the 16 towns and villages As the Gateway to the Flint Hills the countys rolling hills are dotted with picturesque prairie woods limestone outcrops rivers and creeks Even though the county is a crossroads for modern highways US 36 and US 77 pioneer wagon ruts are still visible in Marshall County *Marshall County* Mary Carol Miller, 1998-06-01 Capturing townspeople and lifestyles that have long since disappeared this remarkable review of Marshall County s history features dozens of images which have never before been published Antebellum mansions and Victorian cottages look new again cotton gins and wagons lining the courthouse square mirror an agrarian economy which has all but vanished from the area From the desperate poverty of turn of the century sharecroppers to the revelry of a 1950s homecoming parade all aspects and segments of Holly Springs life are included Marshall County natives will recognize old friends and familiar businesses in these images Those just discovering this fascinating corner of Mississippi will see its history graphically illustrated through the lens of Mrs Smith s camera
