

In-Text Citation with McGill

In legal writing the rule is to use footnotes; however in a legal memorandum or factum citations are included in the main text. All works cited in the text or footnotes should be included in the bibliography.

Memorandum – Reference is added immediately after the text, in parentheses.

“...that it offends the court’s sense of decency” (*Ribbet v Flies of Toronto*, [1995] 2 SCR 1130 at para 196 [Ribbet]).

Factum – Reference is added at the end of the paragraph.

...and exceptionally abusive behavior by an insurance company.

Ribbet v Flies of Toronto, [1995] 2 SCR 1130 at paras 196.

For more information on memorandums and Factums please take a look at the link to Canadian Guide to Uniform Legal Citation 8th Edition!
