What Every Student Should Know about Citing Sources with MLA Documentation Michael Greer, 2007 What Every Student Should Know About Citing Sources with MLA Documentation provides specific instructions on writing and referencing in the Modern Language Association MLA style. It offers a comprehensive listing of in-text and works-cited models for a wide variety of print, electronic, and online sources. Included too are frequently asked questions about MLA style and guidelines for formatting research papers. The What Every Student Should Know About series is a collection of guidebooks designed to help students with specific topics that are important in a number of different college courses. Instructors can package any one of these booklets with their Allyn Bacon Longman textbook for no additional charge or the booklets can be purchased separately. Consult your local Allyn Bacon Longman representative for more details. *MLA* Peggy M. Houghton, Timothy J. Houghton, 2008 The Modern Language Association MLA has established a complete handbook for writing research papers. Dubbed by Newsweek magazine as the style bible for most college students, this guidebook is required by many academic institutions throughout the United States and the world. The MLA Handbook for Writers of Research Papers, 7th Edition, is an accepted format used by many academic and nonacademic institutions and publications. However, this highly regarded manual is not specifically geared toward scholarly academic writing, especially term papers. The authors of this book draw information from the manual that is specific to academic writing and expand upon it using document set-up instructions and a sample paper. The end result of this transformational process yields a useful guide that can be used along with the actual manual for successful academic writing. This book clarifies many detailed specifications of MLA style. Frequently used aspects of MLA style citation and referencing are addressed in a simple format that allows researchers to focus on content instead of mechanics and style. Quite simply, *MLA The Easy Way* presents the basics of MLA style in a clear, concise, accurate, and easy-to-navigate package. Try it and immediately relieve some of the stress of writing a research paper. Publisher **The Wadsworth Guide to MLA Documentation** Linda Smoak Schwartz, 2004 This concise guide to the most commonly used kinds of MLA citations, now with the latest 2003 updates, is brief enough to be used as a supplement to a handbook or literature anthology yet comprehensive enough to address all of the documentation issues students might encounter. **MLA Made Easy** Marilyn Heath, 2009-12-30 A concise, handy guidebook for teaching correct MLA style citation to middle and high school researchers. *MLA Made Easy: Citation Basics for Beginners* offers an effective way to introduce proper research citing to those who are new to research and the MLA style. Full of examples and practical tips, it provides teachers with everything they need to help even the most reluctant middle and high school student researchers create accurate, complete citations in the MLA format. *MLA Made Easy* includes instructions and examples for citing all common sources, from reference books to websites, as well as online databases, magazines, interviews, and videos. Coverage is divided into three parts: how to create citations for the works cited page, parenthetical documentation, and

research paper formatting Based on the 2009 revision of the MLA Handbook it offers clear precise and up to date guidelines for showing students in their formative research experiences the importance of correctly citing their sources **A Guide to MLA Documentation** Joseph F. Trimmer,2006 Describes the Modern Language Association style of documentation in research papers covering such areas as works cited pages citing sources parenthetical references summarizing and paraphrasing and includes a list of publisher abbreviations an appendix on APA and a sample outline and research paper

A Concise Guide to MLA Style and Documentation Thomas Fasano,2009 A CONCISE GUIDE TO MLA STYLE AND DOCUMENTATION is an affordable and classroom tested resource that provides only the information students need most often and according to the author s own students is easier to use than the actual MLA Handbook This edition incorporates several major changes from the new MLA Handbook Seventh Edition It also has a two color design a numbering system and an index to help students find information quickly and easily Here students will discover useful advice on gathering sources compiling notes summarizing paraphrasing quoting properly and avoiding plagiarism **A Guide to MLA Documentation Style for Research Papers** Joseph F. Trimmer,1988 **The MLA Style of Documentation** Michael Pringle,John Gonzales,2009 A pocket guide to the MLA Style of Documentation for collegiate writing Explains the meaning of plagiarism along with some examples and how to find and evaluate resources Also discusses how to cite sources in academic writing and how to create a works cited page in behalf of books magazines non print sources and web and electronic publications
