t always perfect gentlemen But what makes Scott s book truly different is his unique perspective as the only umpire in the history of professional baseball to come out as gay during his career Granted that was after decades of remaining in the closet and Scott writes vividly and movingly about having to play the game maintaining a facade of straightness while privately becoming his true self and building a lasting relationship with his future husband He navigated this obstacle course at a time when his MLB career was just taking off and when North America was consumed by the HIV AIDS epidemic Scott s story isn t only about his leading a sort of double life then opening himself up to the world and discovering a new generosity of spirit It s also a baseball story filled with insights and memorable anecdotes that come so naturally from someone who spent decades among the world s greatest baseball players managers and games Scott s story is fascinating both for his umpiring career and for his being a pioneer for LGBTQ people within baseball and across sports You're the Umpire Wayne Stewart,2010-04-28 You re the umpire tests your knowledge about the rules of Major League Baseball **Blood Feud** Bill Nowlin,Jim Prime,2005 A fresh look at the merciless Red Sox Yankees rivalry drawing on history original interviews with players from both sides and discussions with partisans of each team among the fans The Kill the Umpire Handbook Patrick M. The Umpire's List of Lists Carl Childress,2013-01-13 There are training manuals Power Point shows magazine articles all kinds of media to let an umpire know where he should stand what he has to do how and when to make a call But as far as I know there wasn t a simple list of bullet points an umpire could read before he went to work The Umpire s List of Lists is going to solve that problem Think of it as the Cliff Notes of working baseball I make it easy for you to review the material before you take the text Here s an example Every mechanics manual will explain that an umpire behind the plate should track the ball from the pitcher s hand all the way into the catcher s mitt Not to do so means the umpire might fall victim to tunnel vision Moreover failure to track the pitch to its end means the umpire may make up his mind too early The pitch that looks so good at the cutout suddenly breaks and the catcher must dive for the ball That s covered in the List of Lists this way 1 Track the pitch 2 Don t call the pitch too soon You want to know the steps involved in calling plays at first base There s a list What goes into an ejection report I ve got a list What are effective techniques for controlling a game The Umpire s List of Lists lists them To paraphrase the guy on the TV ad You re gonna like the way you read I guarantee
