MARK / 7

3 Read the text and answer the questions.

When you travel on the motorway to Toulouse in the south of France, you pass by a large medieval city sitting among the vineyards and the sunflower fields. It is the old walled city of Carcassonne. It is one of the top tourist attractions in France. You might know it from films. It was Nottingham, the home of the Sheriff in the film. But it has another connection with the film industry.

The city has got a castle, a cathedral, and lots of restaurants and tourist shops selling souvenirs for adults and toy helmets, swords, and shields for children. There is an open-air theatre in the garden of the cathedral, where the annual festival of plays and concerts of classical and popular music takes place.

Part of the city is a modern 21st century city, but part of it looks almost as it did in the 12th century. And especially so in July and August when tourists can enjoy the Medieval Tournament. Knights on horseback with their shields and lances ride towards each other to fight. And once they have been knocked off their horses, the fighting continues with swords, until there is one last knight left standing. He wins the contest.

The fighting and riding skills of the knights might remind you of some action films you have seen. This is not surprising. When these knights are not fighting in Carcassonne, they work as stunt actors in French cinema and TV.

- Where is Carcassonne?

- Which town was it in *Robin Hood*, *Prince of Thieves*?

- What can children buy in the shops?

- Where can you go to see a pop-concert?

- When is the Medieval Tournament?

- Who wins the tournament?

- What do the knights do when they are not in Carcassonne?
