Adewumi,2019-05-27 THOSE who pray know that prayer gets answered by God In the ecological culture of prayer and its sublime gestational realm spiritual phenomena metamorphose into tangible physical realities as a well sculpted script in its gamut of performance delivery Divinity rules in the affairs of men on this side of the divide depending on how well guided prayer pundits are This book PREVAILING PRAYERS OF INTERCESSION AND SUPPLICATION GUIDES sets out to sensitize and equip readers by giving a sense of proper direction through a biblical predisposition to the fact that an unanswered prayer is never God's desire Prayers channeled through the holy vessels of God are honored by God Hence Psalms 66 18 says If I regard iniquity in my heart the Lord will not hear me There are several kinds of prayer but a prayer of intercession involves standing in the gap as a bridge for others welfare to turn things around and sustain positive changes It redirects the vicissitudes of life and makes living much better for both the prospects or targets of prayer and its subjects who can spare time to be with God without selfishness and bitterness Intercessory prayer moves mountains removes barriers breaks yokes or chains lifts burdens rolls away sorrows gives victory in every battle of life provides calmness in crisis and eases perplexing situations confronting believers and the world itself in its socio economic and political landscapes In the same breath through prayers of supplication we receive assurance protection authority and dominion It reveals our dependence on God takes us to the realm of the supernatural and moves God to act on our behalves In these last days believers have to be guided to repair the altar of prayer and get acquainted with God more than ever before according to Job 22 21 30 Many saints of old left us their footprints in the ministry of intercession and supplication among whom are Abraham Moses Elijah and a host of others They were all successful in their time If only we too would consecrate and commit ourselves to the ministry of intercession

and supplication we will succeed and make enviable marks in our churches homes environment and nations More importantly we must believe in the power of intercession in order to activate it operate in it practice it and seek God on behalf of others Premised on the foregoing our prayers must be fervent effectual and importunate if we would to get things done and have results We ourselves must be sold out to Jesus and develop a loving beauty of spirit for other people as we engage in prayer without ceasing With our spirit given up to God in intercession there is hope for our Churches nations and ministries Ultimately our rewards shall be great from the Good Lord Who does not owe anyone **Never Stop Praying** Sydell Green,2021-04-12 Never Stop Praying is a guide on how to pray This book familiarizes readers with the use of prayer metaphors questions about God and the importance of intercessory prayer This book includes biblical scriptures to help strengthen your relationship with God Prayer can be seen as a difficult skill to master However with this book you will have a step by step guide on how to begin and end your prayers This manual is useful for prayer warriors thirsting after the Lord
