Vander Veer,2007 A new handbook not only covers the basics and new features of PowerPoint 2007 but also teaches users how to combine multimedia animation and interactivity into a presentation how to take full advantage of advanced functions and how to create reusable design templates and automate tasks with macros Using Microsoft PowerPoint Gregory A. Crawford,1998 Written specifically for librarians this guide pays extra attention to those features which are particularly useful in libraries such as creating reports for staff board members tenure committees and classes or developing information

kiosks with continuous loop information on library hours or special announcements *PowerPoint 2007 for Starters: The Missing Manual* E. A. Vander Veer, 2007-01-25 Fast paced and easy to read this new book teaches you the basics of PowerPoint 2007 so you can start using the program right away This concise guide shows readers how to work with PowerPoint's most useful features and its completely redesigned interface With clear explanations step by step instructions lots of illustrations and plenty of timesaving advice PowerPoint 2007 for Starters The Missing Manual will quickly teach you to Create save set up run and print a basic bullets and background slideshow Learn how to add pictures sound video animated effects and controls buttons and links to your slides Discover how to incorporate text spreadsheets and animations created in other programs The new PowerPoint is radically different from previous versions Over the past decade PowerPoint has grown in complexity but its once simple toolbar has been packed with so many features that not even the pros could find them all For PowerPoint 2007 Microsoft redesigned the user interface completely adding a tabbed toolbar that makes every feature easy to locate Unfortunately Microsoft's documentation is as scant as ever so even if you find the features you need you still may not know what to do with them But with this book you can breeze through the new user interface and its timesaving features in no time PowerPoint 2007 for Starters The Missing Manual is the perfect primer for anyone who needs to create effective presentations **Open Learning Guide for PowerPoint 2003 Introductory** Cia Training Ltd
