

## Math Review for Electrician Apprentices

The following questions are for you to self-assess your current knowledge of math, to inform you whether you are prepared for the types of questions you will be required to complete as part of your apprenticeship technical training. Use these questions as a self-test by completing the questions on your own, without looking at the answers provided. If you cannot answer all the questions below, you should seek assistance prior to coming to your technical training session. While additional help is available while you are in school, it will be to your benefit to undertake this study prior to schooling, especially as you will find the workload will be quite heavy as it is. The intention is to ensure you understand how to apply these types of questions.
