Play Like a Girl Ellie Roscher,2017-07-18 Growing up and living in Kibera Kenya Abdul Kassim was well aware of the disproportionate number of challenges faced by women due to the extreme gender inequalities that persist in the slums After being raised by his aunts mother and grandmother and having a daughter himself he felt that he needed to make a difference In 2002 Abdul started a soccer team for girls called Girls Soccer in Kibera GSK with the hope of fostering a supportive community and providing emotional and mental support for the young women in the town The soccer program was a success but the looming dangers of slum life persisted and the young women continued to fall victim to the worst kinds of human atrocities Indeed it was the unyielding injustice of these conditions that led Abdul to the conclusion that soccer alone was not enough to create the necessary systemic change In 2006 after much work the Kibera Girls Soccer Academy KGSA was established with their first class of 11 girls and 2 volunteer teachers Today KGSA is composed of 20 full time staff provides a host of artistic and athletic programs for more than 130 students annually and continues to expand By providing academics inside and outside of the classroom along with artistic and athletic opportunities KGSA inspires the young women of Kibera to become advocates for change within their own communities and for Kenya as a whole Play Like a Girl tells the KGSA story through Abdul s voice and vision and the stories of key staff and students It is written by Ellie Roscher who spent 2 summers doing research at KGSA and several years writing this book **The Weekly Review** ,1999 **Report of the Proceedings**
