hopelessly polarized nation One of America's finest political commentators Michael J. Sandel Tomasky ranges across centuries and disciplines to show how America has almost always had two dominant parties that are existentially and often violently opposed When he turns to our current era he does so with striking insight that will challenge readers to reexamine what they thought they knew Finally not content merely to diagnose these problems Tomasky offers a provocative agenda for how we can help fix our broken political system from ranked choice voting and at large congressional elections to expanding high school civics education nationwide Combining revelatory data with trenchant analysis Tomasky tells us how the nation broke apart and points us toward a more hopeful political future

Lone Star Politics pays homage to the legendary political history of Texas while exploring how myth clashes with the reality of the state's day-to-day governance. How has Texas developed and flourished but also failed to respond fully to new challenges? Explaining who gets what and how within the state, this Nogadoches author team provides an engaging narrative on the evolution of Texas politics, setting it in context with other states' constitutions, policymaking, electoral practices, and school systems. Updated to cover recent events, the second edition includes new discussion and expanded coverage of the results of the 2010 gubernatorial elections, the impact of the Great Recession on Texas, the legislative process, and the organization of the legislature, the Texas two-step state education policy, the controversial reauthorization of the Texas Department of Transportation, the effect of recent court cases. Highly regarded Texas vs. ____ boxes, which compare Texas to other states, and Texas Legends boxes, which showcase figures and institutions that have shaped and continue to influence Texas politics, have been enhanced in every chapter. Concise and a great value, Lone Star Politics provides well-crafted content and numerous tables, figures, maps, and photos at an affordable cost.
