Keeping Mum A Garden Society Mystery:

Keeping Mum Alyse Carlson, 2014-03-04 Roanoke Virginia is home to some of the country's most exquisite gardens and it's Camellia Harris's job to promote them. But when a political fundraiser turns deadly everyone's a candidate for murder. Cam and her best friend Annie are planning a gala for a local Senate candidate, a murder mystery themed silent auction where the guests bid on who will be the night's victim. Coordinating a beautiful display of fall flowers and planning the perfect fake crime is hard enough, but with a guest list that is a who's who of the Roanoke elite Cam has her hands full navigating the egos and grudges of her high society guests. When local financial tycoon Derrick Windermere is found dead next to a shattered pot of chrysanthemums the night's fun and games quickly turn serious. Half the guests had good reason to want Windermere dead, but only one is suspiciously missing in action. Annie's father? Now Cam will not only have to figure out which partygoer is a killer, but find her friend's father before all their reputations end up dragged through the mud.
