The Complete Idiot's Guide to Native American History Walter C. Fleming, 2003 This book is a comprehensive overview of the history and culture of the peoples who are now known as the First Americans. Author Walter C. Fleming covers the many different tribes that stretched from the Atlantic to the Pacific, including compelling biographies of their greatest leaders. He examines the beliefs, customs, legends, and the myriad contributions Native Americans have given to modern society and details the often tragic history of their conquest by European invaders, their treatment both historically and recent under the U.S. government, and the harsh reality of life on today's reservations.
