Education and Power in Contemporary Southeast Asia Azmil Tayeb, Rosalie Metro, Will Brehm, 2023-07-18 This book focuses on education and power in Southeast Asia and analyzes the ways in which education has been instrumentalized by state non state and private actors across this diverse region The book looks at how countries in Southeast Asia respond to the endogenous and exogenous influences in shaping their education systems Chapters observe and study the interplay between education and power in Southeast Asia which offers varying political social cultural religious and economic diversities The

political systems in Southeast Asia range from near consolidated democracy in Indonesia to illiberal democracy in Singapore and Thailand to the communist regime in Laos to absolute monarchy in Brunei Structured in three parts i centralization and decentralization ii privatization and marketization and iii equity and justice these themes are discussed in single country and or multi country studies in the Southeast Asian region Bringing together scholars from and focused on Southeast Asia this book fills a gap in the literature on education in Southeast Asia Improving the Performance of Elementary School Pupils with Strategic Intervention Material (SIM) Ronela Encinas,2020-04-15 Project Report in the subject Pedagogy The Teacher Educational Leadership language English abstract This work attempts to prove that the Strategic Intervention Material SIM can significantly address the least mastered skills and learning competencies from the K 12 curriculum guide Different and multiple activities were created in order to improve and help the pupil understand difficult concepts about the subject Assessments were made and subjected to parallel testing The activities were finalized and administered in an Elementary School with 23 Grade IV pupils as respondents The mean mastery and performance level on the actual lesson and the utilization of SIM were computed Moreover results were compared The mastery and performance level before and after the use of the Strategic Intervention Material were interpreted It showed that there was a significant difference on the mastery and performance levels of pupils This suggests that the utilization of SIM helps the pupils to master the difficult and least mastered competencies *Materials and Human Resources for Teaching Ethnic Studies* Francesco Cordasco,1978
