KAPLAN NURSING

STUDY PLAN for your Kaplan NCLEX-RN® Preparation

Welcome to Kaplan NCLEX® Prep! This is the recommended study plan for utilizing the robust Kaplan NCLEX® Prep resources. These resources are designed to give you plenty of realistic practice for success on NCLEX® Test Day. As you begin your preparation, please keep in mind that preparing for the NCLEX® is a marathon, not a sprint! It is important not to rush your studies, but it's also important not to procrastinate.

While you are utilizing the Kaplan NCLEX® Prep resources, it is important that you follow these steps: analyze, review/remediate, think, study, and continue practicing. Remediation is the key to your NCLEX® success.

Phase 1: Prior to Your Kaplan NCLEX® Review Course

Complete the following resources on your student homepage.
Please note: Directions in italics apply only to Institutional students who are enrolled in the Kaplan Institutional program via their school and who access their NCLEX® resources via their Kaplan Institutional homepage.

Date Completed	
	Download the **NCLEX-RN® Content Review Guide** e-book. It can be downloaded to any computer or e-reader device.
	Watch the **5 videos** under "**Pathway to NCLEX® Success.**"
	Watch the **Phase One** orientation video
	Take the **Diagnostic Test**. *If you are a Kaplan Institutional student, this will be proctored by your school or you will receive at-home testing instructions approximately 7—10 days prior to your NCLEX® class start. This resource will be located in the Green Integrated Testing box. (All other NCLEX® resources are in the Gray NCLEX® Prep box.) Your school may also choose to replace this test with a proctored Kaplan Secured Predictor exam.*
	Take **Question Trainer 1**. Review/remediate before progressing to Question Trainer 2, and then follow the steps listed below.
	Take **Question Trainer 2**. Review/remediate before progressing to Question Trainer 3, and then follow the steps listed below.
	Take **Question Trainer 3**. Review/remediate and follow the steps listed below.
	Watch the **Essential Nursing Content** Videos.
	Download the **Classroom Posters**. These will be referenced in the Review Course.

As you are completing tests, look at your **Analysis** page to see how you performed on each test. Aim for scores of 65% or higher. (*Institutional students: your school may require higher scores.*)

Complete the Test Reflection Worksheet to identify your strengths and weaknesses. Ask yourself the following and think about <u>how you are thinking</u>:

1. Did I change any answers? Which way: correct to incorrect, or incorrect to correct?
2. Did I take enough time on each question, or did I take too much time on each question?
3. Did I lose concentration, and if so, is there a pattern? Should I have taken a break?

Review/remediate <u>all</u> questions. Ask yourself the following:
1. Did I not know the content of any of the questions?
2. For each question I got wrong, why did the author of the question choose one answer and why did I choose another?

Use the **Essential Nursing Content** Videos and your **NCLEX-RN® Content Review Guide** e-book to fill in any knowledge gaps, working from your content area of greatest weakness toward your area of greatest strength.

Kaplan Study Guide P2
