Karl Lagerfeld Cassina Seen:

Cassina as Seen by Karl, 2017-07 In 2013 the distinguished Italian furniture manufacturing company Cassina invited Karl Lagerfeld to choose his favorite pieces of furniture for an unusual photographic mise en scène I had never worked on a project like this before To visually reinterpret examples of perfect design is completely new for me and therefore stimulating exciting even Before Lagerfeld's lens iconic chairs tables and chaise longues by Modernist legends such as Le Corbusier Rietveld and Perriand condense to their absolute abstract essence In his inimitably sleek and sophisticated photographs Lagerfeld reveals the form in Formalism Here furniture is seen in an atypical decontextualized mode of presentation detached from its usual environment isolated and dramatically lit like a sculpture The result is a tenderly chosen compendium of twenty one images that respects the artistic intentions of the designers while simultaneously creating a new aesthetic *Karl Lagerfeld* Alfons Kaiser, 2022-02-08 A must have for every aficionado Vogue the definitive biography of Karl Lagerfeld the last iconic fashion designer and celebrated creative director of Chanel It starts with me and it ends with me Karl Lagerfeld stylized himself into a living logo and a myth of the fashion world In *Karl Lagerfeld A Life in Fashion* journalist Alfons Kaiser who knew Lagerfeld personally for many years introduces readers to the public and private life of the charismatic fashion designer Kaiser explores the many eras of Lagerfeld's life the youthful outsider in the north German flatlands the urbane genius in Paris the tireless draftsman the enthusiastic photographer the passionate book collector and the disciplined Prussian workaholic What is behind this larger than life figure who despite a massively public persona kept his own life story a secret Drawing from many previously untapped sources this biography investigates the man behind the persona the precocious boy who preferred to draw in the attic than play with his peers the son who quarreled with his parents but never got away from them Yves Saint Laurent's competitor whom he outshone in the end the brother uncle friend and finally the partner of Jacques de Bascher the great love of his life **Blueprint**, 2007 **The New York Times Index**, 1995 **Design Directory Italy** Claudia Neumann, 1999 Packaged in handy pocket sized format each book is brightly designed and takes a fresh new look art design concepts encompassing everything from shoe designers to hi fi systems from cutlery to cameras from lights to cars *Casa Vogue*, 1986 **The Design Encyclopedia** Mel Byars, 2004 Design has an increasingly high profile figures like Philippe Starck are as venerated and well known as more traditional artists But where the literature on fine art is vast design is still comparatively ill served This encyclopedia provides an account of the still largely unknown story of design **The Conran Directory of Design** Terence Conran, 1985 Opslagsbog om personligheder klassikere Bauhaus mm ex 1 *Design & Applied Arts Index*, 1992 [Chanel: The Karl Lagerfeld Campaigns](#) Patrick Mauriès, 2018-11-06 When Karl Lagerfeld was appointed to the helm of the then sleepy fashion house Chanel in 1983 he set out to radically reinvent its image not only through bold collections but also by shooting the house's campaigns himself Lagerfeld's photographs breathed life into the brand Now his campaigns span the house's collections luxurious haute couture ready to wear cruise accessories and have

against black sky and strips of light so that the pavilion itself is often not recognisable The Container is composed of interconnected segments that not only echo natural forms but allow it to be dismantled and transported This was another starting point for Lagerfeld who photographed the Containers segments during fabrication The book also includes three DVDs with film footage of the Container in the different urban landscapes of Hong Kong Tokyo and New York Chanel Patrick Mauriès, 2016 Ever since his first show for the house in 1983 Karl Lagerfelds Chanel collections have consistently made headlines and dictated trends the world over For the first time every Chanel collection ever created by Lagerfeld is here gathered in a single volume a unique opportunity to chart the development of one of the worlds most influential fashion brands and discover rarely seen collections This definitive publication opens with a concise history of the house of Chanel from the days of Coco Chanel to today followed by a brief biographical profile of Karl Lagerfeld before exploring the collections themselves which are organized chronologically and introduced by a short text unveiling each collections influences and highlights Each collection is illustrated with carefully curated catwalk images showcasing hundreds of spectacular clothes from evening dresses and day suits to casual and sports pieces details accessories from hats and jewelry to handbags and shoes beauty looks and set designs and of course the top fashion models who wore them on the runway from Claudia Schiffer and Linda Evangelista to Kate Moss and Cara Delevingne A rich reference section including an extensive index concludes the book A treasure trove of inspiration this richly illustrated publication will be the must have reference for all fashion professionals and Chanel obsessives **Chanel**, 2016 A comprehensive and captivating overview of Karl Lagerfeld s Chanel creations featuring more than 150 collections presented through original catwalk photography
