Manual Do Pastor Pentecostal:

How to Empty a Church: The Manual John S. Oldfield, 2021-05-24 Many have pontificated about church growth telling church planters and pastors how to increase the number of attendees and members Most have spoken authentically from inspiring experiences and what they've recommended has worked at least for some But what about advice on how to reduce those numbers how to empty those pews This manual provides just that and its suggestions don't emanate from an ivory tower they too are based on real life experiences The insights and guidelines of How to Empty a Church may be expressed tongue in cheek but they're not fictional they reflect the history of an actual congregation Fasten your seatbelt it's going to be a bumpy but worthwhile ride

The X-Manual Peter J. Bellini, 2022-04-07 The title of the book The X Manual is taken from the word exousia from the subtitle It is the Greek word for authority The word is used throughout the New Testament For our purposes it is used to express the divine authority or right to cast out demons I have given you authority exousia to trample on snakes and scorpions and to overcome all the power of the enemy nothing will harm you Luke 10:19 NIV Jesus gives believers authority to cast out demons This book is about spiritual authority over evil The X Manual is a practical how-to handbook for clergy and laity on deliverance and exorcism One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry Nowhere is the church more inadequate or excessive than in deliverance ministry The X Manual contains specific time-tested biblical instructions on selecting and training a deliverance team pre-deliverance work the deliverance session post-deliverance work and other useful tools like the C1-13 instrument that helps determine if one needs deliverance Deliverance is essential to the church's New Testament healing and evangelism ministry It is time for the church to walk in the authority and power that Christ gave us to set the captives free

An Owner's Manual for the Unfinished Soul Calvin Miller, 2000-03-07 Whether in the form of a parable letter story or prayer Calvin Miller's writing bears the mark of a capable

artist This mix of pieces from the serious to the comical invites the reader to share in the pangs of spiritual loss and the joys of spiritual gain We laugh until it hurts and learn truths about everything from the Bible and the nature of space to diets and bike riding If your soul s machinery needs something deeper than a quick fix then read along as Calvin Miller creatively weaves together this owner s manual for the unfinished soul *Manual of the History, Doctrine, Government and Ritual of the Church of the Nazarene* Church of the Nazarene (1919-). General Assembly,1919 **Church Laws and Ecumenism** Norman Doe,2020-09-27 Written by experts from within their communities this book compares the legal regimes of Christian churches as systems of religious law The ecumenical movement with its historical theological focus has failed to date to address the role of church law in shaping relations between churches and fostering greater mutual understanding between them In turn theologians and jurists from the different traditions have not hitherto worked together on a fully ecumenical appreciation of the potential value of church laws to help and sometimes to hinder the achievement of greater Christian unity This book seeks to correct this ecumenical church law deficit It takes account of the recent formulation by an ecumenical panel of a Statement of Principles of Christian Law which has been welcomed by Pope Francis and the Ecumenical Patriarch of Constantinople leader of the Orthodox Church worldwide as recognizing the importance of canon law for ecumenical dialogue This book therefore not only provides the fruits of an understanding of church laws within ten Christian traditions but also critically evaluates the Statement against the laws of these individual ecclesial communities The book will be an essential resource for scholars of law and religion theology and sociology It will also be of interest to those working in religious institutions and policy makers **Past and Prospect** Stan Ingersol,2014-05-20 Today the Church of the Nazarene faces issues that arise directly out of its past For that reason Past and Prospect argues that Nazarenes will be better equipped to face their future as a church armed by an understanding of their own history Church historian Stan Ingersol examines issues that have characterized the Nazarene way of life during that denomination s first century showing how the trajectory shaped by the church s founders has been altered through time by the shifting tides of Fundamentalism mainstream Evangelicalism global expansion and the culture of affluence He contends that current disagreements over polity holiness and worship are largely echoes and projections of tensions that have been present in the denomination since its very beginning As the reader will discover the common denominator running through these chapters is the prospect of rediscovering a relevant and useful past *The Commencement Manual* ,1950 **The Minister's Manual** James W. Cox,1998-07-29 This religious anthology will nourish the pastor s heart soul and mind It s a treasure for devotional reflection as well as a support for the task at hand James W Crawford pastor Old South Church Boston Under the editorial guidance of Professor Cox whose sensitivity to parish needs is incomparable The Ministers Manual has achieved a long standing reputation for its wide variety of quality material for pulpit and worship use Donald Macleod Francis L Patton professor emeritus Princeton Theological Seminary The Ministers Manual is the single most comprehensive resource for preaching and
