K6 Think Central Grade 4:

Engaging Students in Disciplinary Literacy, K-6 Cynthia H. Brock, Virginia J. Goatley, Taffy E. Raphael, Elisabeth Trost-Shahata, Catherine M. Weber, 2014 This accessible book will help elementary school teachers improve literacy instruction inside or outside the Common Core environment The authors address teachers instructional needs by introducing key concepts from current trends in literacy education from high level standards to the use of 21st century literacies Readers then follow teachers as they successfully implement the curriculum they developed to promote high level thinking and engagement with disciplinary content The text focuses on three disciplinary literacy units of instruction a science unit in a 2nd grade classroom a social studies history unit in a 4th grade classroom and a mathematics unit in a 6th grade classroom Each unit revolves around a central inquiry question and includes research based strategies for using reading writing and classroom talk as tools to foster disciplinary understandings This unique insider s look at how real teachers build and implement a Common Core aligned curriculum will be an invaluable resource for teachers schools and districts as they move forward to align their own curricula I can t imagine a more timely book a set of elegant principles and some stunning examples of how teachers can use reading writing and talk to enhance learning in the science social studies and mathematics classroom P David Pearson professor of language and literacy and human development Graduate School of Education University of California Berkeley If you re wondering how to integrate literacy across the content disciplines this is the text you will want to keep and return to often Diane Lapp distinguished professor of education San Diego State University Inspiring and better still infectious Donald R Bear Iowa State University Provides concrete ideas for teaching students to use literacy to think like scientists historians and mathematicians Douglas Fisher professor of educational leadership San Diego State University and teacher leader Health Sciences High and Middle College

Critical Comprehension [Grades K-6]
Katie Kelly, Lester Laminack, Vivian Vasquez, 2023-01-25 Because high level comprehension cannot be divorced from wide ranging texts To be literate is to think through multiple perspectives exploring diverse texts and using the power of story to give students the life skills to discuss just about anything with critical curiosity Critical Comprehension transforms this vital work into an accessible three step lesson process Using picture books multimodal texts and thoughtfully framed questions each differentiated lesson expands students understanding of a text through First read the movie read during which the text is read without interruption Second read The teacher poses questions that probe deeper meanings through interaction with the text to summarize name and highlight issues analyze and infer to make more informed decisions about what to believe and what to question Third read Harnessing students curiosities the class revisits the text to talk back to theme symbols central idea or social cultural historical influences at work on author and audience Popular media classic novels breaking news the world s content is ready for students to absorb But are we ready to help them read it well Equipped with this resource the answer is Yes we are
