Including exclusive interviews with studio musicians and choreographers Jovanovic's biography emphasises both her voracious talent and her intensely private personality. Kate Remembered Andrew Scott Berg, 2004. For more than twenty years Katharine Hepburn imparted many of the details of her life to me suggesting that I weave them into a book one that would appear upon her death. Sad to say the time has come to publish that book. But I find comfort in knowing she lived a very rich 96 years and I have tried my best to honour her wish of making the book as true to her spirit as possible as inspiring as loving and as fun. Scott Berg KATE REMEMBERED is a loving tribute and a tender farewell that reveals an unusual relationship in a unique life one fully lived and largely according to Katharine Hepburn's own rules. More importantly it sets down many of the stories of that life as she saw them full of sentiments she felt should not be made public until after her death. Ultimately this book is not only a story of the poignant final twenty years in which Scott Berg knew Katharine Hepburn but also a tale of a great theatrical personality and the better part of the century that was the stage for her distinguished life.
