

## SERIAL NUMBERS - TRACTOR

The serial number of the tractor is located in two positions, on the serial number plate located on the right hand side of the tractor (See Fig.1), and stamped on the rear axle casting (See Fig.2).

From the launch of the 300 series tractor in August 1986, a new format serial number was introduced on all UK production. The tractors are numbered systematically and the number gives information on the machine type, year of manufacture and when it was built, as follows:
