Mystery of the White Lions Linda Tucker, 2010-06-01 The inspiring firsthand account of one woman's journey into African shamanism and the mysteries of the most sacred animal on the continent the legendary White Lion In 1991 Linda Tucker was rescued from a pride of lions in the Timbavati game region by a medicine woman known as the Lion Queen So began Linda's lifelong journey into the wisdom and ceremonies of Old Africa in which humans and lions are able to cross the species barrier Such knowledge is in accordance with the most guarded secrets of Ancient Egypt and humankind's greatest riddle the Sphinx Scientists in our day have established that humankind's most significant evolutionary leap occurred as a result of our ancestors' interaction with great cats The White Lion is a genetic rarity within *Panthera leo* and occurred in just one region on Earth Timbavati Today White Lions form the center of the notorious canned trophy hunting industry hand reared captive lions shot in enclosures for gross sums of money By contrast shamans believe that killing a lion sun god is the ultimate sacrilege How the human species treats such precious symbols of God in nature may determine how nature treats the human species Whether we view them as prophetic Lions of God or simply as rare genetic mutations the story of the White Lions is a true legend unfolding in our own extraordinary times Inspiring captivating and thoroughly researched *Mystery of the White Lions* is an unforgettable portrait of these magnificent beasts and of the overwhelming love that has driven Linda's every action to save them Through understanding the White Lion we will understand ourselves and our great role in the chain of being Deepak Chopra

Hunters, Heroes, Kings Hallie M. Franks, 2012-10-01 This monograph considers the painted frieze on the facade of Tomb II at Vergina ca 330-280 B.C. as a visual document that offers vital evidence for the public self-stylings of Macedonian royalty in the era surrounding the reign of Alexander the Great The hunting scene on the frieze reflects the construction of Macedonian royal identity through the appeal to specific and long-standing cultural traditions which emerged long before Alexander's reign out of a complex negotiation of claims to heroic and local dynastic pasts regional ideals of kingship and models of royal behavior provided by the East *Heroes of South African discovery*, by N. D'Anvers N. D'Anvers, Nancy R. E. Bell, 1893 *When the Lions Came to Town* Luke Alfred, 2014-09-05 The early 1970s in South Africa were a time of economic boom political repression growing isolation and an unshakeable confidence that the Springboks were the best rugby team in the world until the infamous 1974 British Lions tour It was a tour in which a group of talented and long-haired rugby players from the British Isles played sang and drank their way across the country beating the Springboks 3-0 in the four Tests with the last one a dubious draw Until then the Lions hadn't beaten South Africa at home in 78 years Based on original research and interviews with players on both sides *When the Lions Came to Town* vividly recreates a tumultuous rugby tour that sent shockwaves through South Africa It captures a bygone era a time before television a golden age of amateurism pranks and setting hotel rooms alight as the Lions did after winning the series in PE Insightful provocative and frequently amusing *When the Lions Came to Town* casts a fresh eye on a divisive but undeniably
