Oh, Mistress of the Deep! You've a visitor...

FLOTSAM

I don't know if—

ARIEL

Now, now...

JETSAM

Mustn't get cold fins!

FLOTSAM

Don't be shy, Ariel darling!

URSULA

I – I shouldn't be here. Mother died because of you.

ARIEL

Oh child... what happened to your dear mother was a terrible, unfortunate accident – poor soul.

URSULA

An... accident?

ARIEL

Of course! I did my very best to save her.

URSULA

You did? But Father told me—

ARIEL

The truth is that the ocean wasn't big enough for both your father and me, so he sent me here. And now I see he's driven you away, too...

URSULA

He doesn't understand me.

ARIEL

Oh, but I do, dumpling. We're so very alike, you and I – gals with ambition! Now tell me absolutely everything.

URSULA

I'm in love with someone. A human.

ARIEL

A prince, I hear. Quite a catch! Well, the answer is simple: you've got to become human yourself!

URSULA

Little Mermaid Jr Script

Cobbett Steinberg

Little Mermaid Jr Script:

Beyond Broadway Professor Stacy Wolf, 2019-11-15 *Beyond Broadway* travels across America to illustrate musical theatre's ubiquitous presence as a thriving national folk practice that touches millions of lives. *The Disney Musical on Stage and Screen* George Rodosthenous, 2017-06-29 *The Disney Musical Critical Approaches on Stage and Screen* is the first critical treatment of the corporation's hugely successful musicals both on screen and on the stage. Its 13 articles open up a new territory in the critical discussion of the Disney mega musical, its gender, sexual and racial politics, outreach work and impact of stage, film and television adaptations. Covering early 20th century works such as the first full length feature film *Snow White and the Seven Dwarfs* 1937 to *The Lion King* Broadway's highest grossing production in history and *Frozen* 2013, this edited collection offers a diverse range of theoretical engagements that will appeal to readers of film and media studies, musical theatre, cultural studies and theatre and performance. The volume is divided into three sections to provide a contextual analysis of Disney's most famous musicals: DISNEY MUSICALS ON FILM, DISNEY ADAPTATIONS ON STAGE AND BEYOND DISNEY MUSICALS GENDER AND RACE. The first section employs film theory, semiotics and film music analysis to explore the animated works and their links to the musical theatre genre. The second section addresses various stage versions and considers Disney's outreach activities, cultural value and productions outside the Broadway theatrical arena. The final section focuses on issues of gender and race, portraying representations of race, hetero-normativity, masculinity and femininity in *Newsies*, *Frozen*, *High School Musical*, *Aladdin* and *The Jungle Book*. The various chapters address these three aspects of the Disney Musical and offer new critical readings of a vast range of important works from the Disney musical canon, including *Enchanted*, *Mary Poppins*, *Hunchback of Notre Dame*, *The Lion King* and versions of musicals for television in the early 1990s and 2000s. The critical readings are detailed, open-minded and come to surprising conclusions about the nature of the Disney Musical and its impact. *A Critical Companion to the American Stage Musical* Elizabeth L. Wollman, 2017-09-21 This *Critical Companion to the American Stage Musical* provides the perfect introductory text for students of theatre, music and cultural studies. It traces the history and development of the industry and art form in America with a particular focus on its artistic and commercial development in New York City from the early 20th century to the present. Emphasis is placed on commercial, artistic and cultural events that influenced the Broadway musical for an ever-renewing, increasingly broad and diverse audience: the Gilded Age, the Great Depression, the World War II era, the British invasion in the 1980s and the media age at the turn of the twenty-first century. Supplementary essays by leading scholars provide detailed focus on the American musical's production and preservation as well as its influence on daily life on the local, national and international levels. For students, these essays provide models of varying approaches and interpretation, equipping them with the skills and understanding to develop their own analysis of key productions. **The Routledge Companion to Musical Theatre** Laura MacDonald, Ryan Donovan, 2022-12-30 Global in scope and featuring thirty-five chapters from more than fifty dance music

and theatre scholars and practitioners The Routledge Companion to Musical Theatre introduces the fundamentals of musical theatre studies and highlights developing global trends in practice and scholarship Investigating the who what when where why and how of transnational musical theatre The Routledge Companion to Musical Theatre is a comprehensive guide for those studying the components of musical theatre its history practitioners audiences and agendas The Companion expands the study of musical theatre to include the ways we practice and experience musicals their engagement with technology and their navigation of international commercial marketplaces The Companion is the first collection to include global musical theatre in each chapter reflecting the musical s status as the world s most popular theatrical form This book brings together practice and scholarship featuring essays by leading and emerging scholars alongside luminaries such as Chinese musical theatre composer San Bao Tony Award winning star Andr De Shields and Tony Award winning director Diane Paulus This is an essential resource for students on theatre and performance courses and an invaluable text for researchers and practitioners in these areas of study

Broadcasting ,1962 **International Film Guide 1978** Peter Cowie,1977
Boris Karloff and His Films Paul M. Jensen,1974 Jensen provides a definitive portrait of Karloff and his work He traces the star s career and describes in detail the production of all the famous Karloff movies **The Motion Picture Annual** ,1990 **TV Facts** Cobbett Steinberg,1980 A collection of facts and statistics on television programs ratings advertisers networks viewers and awards *Good Girls and Wicked Witches* Amy M. Davis,2006 In *Good Girls and Wicked Witches* Amy M Davis re examines the notion that Disney heroines are rewarded for passivity Davis proceeds from the assumption that in their representations of femininity Disney films both reflected and helped shape the attitudes of the wider society both at the time of their first release and subsequently Analyzing the construction of mainly human female characters in the animated films of the Walt Disney Studio between 1937 and 2001 she attempts to establish the extent to which these characterizations were shaped by wider popular stereotypes Davis argues that it is within the most constructed of all moving images of the female form the heroine of the animated film that the most telling aspects of Woman as the subject of Hollywood iconography and cultural ideas of American womanhood are to be found **Dramas and Works Prepared for Oral Delivery** Library of Congress. Copyright Office,1970 **MPG Consumer Annual 1990 (Films of 1989)** CineBooks,1990 Gives a synopsis critique comments and production credits for films released in 1989 *Catalog of Copyright Entries.
