Little Stars Ofsted Report:

Early Years Placements Jackie Musgrave, Nicola Stobbs, 2025-02-28 This is a key text for all those undertaking placements or work based learning WBL in early years settings Taking a practical approach underpinned by theory and research it guides student practitioners through their WBL to help them achieve an outstanding experience There is a focus on the variety of child parent and practitioner perspectives plus case studies involving the full range of ages from across the early years While it is invaluable in answering key questions about placements it also encourages a reflective and critical approach throughout that develops and promotes professionalism It is completely up to date with the latest Early Years Foundation Stage and includes reference to the Early Years Teachers Standards Children these days Madge, Nicola, 2006-02-01 What

is it like to be a child growing up in Britain these days Is it a happy time or is there too much to worry about What are the best and worst aspects of being a child today *Children these days* draws on the accounts of over two thousand children and five hundred adults to examine the present day meaning of childhood and its implications for policy and practice Key questions addressed by the study include how is childhood perceived What is it like to grow up and become an adult What are the influences and controls on young people Are young people protected or over protected How much do young people and adults respect and talk to each other To what extent is Britain a child friendly society The book provides unique evidence on children s and adults views of childhood and draws conclusions on the attitudes and policies to be challenged and developed in the 21st century It will make a significant contribution to contemporary debate and discussion on the future of childhood *Children these days* is essential reading for policy makers practitioners academics researchers and students on childhood studies social sciences and social policy courses It has been written in a style that means it is also accessible to others with a more general interest in children and childhood **Shut up and Show Me!** Bruce Atkinson, 2014-09-01 In the

style of the author s bestselling work *No More Law* this study on the New Testament letter of James boldly deals with such topics as the character and life of the contemporary Christian the misconception that Paul and James disagreed on the gospel Christians overcoming trials by aggressive faith the nature of tests and trials justification by works and its relationship to justification by faith the power and misuse of the tongue and so on The book is provocative to holy living in Jesus Christ for today s church Publisher **Psychology and the Teacher** Dennis Child, 2004-03-05 This classic text now in its seventh

edition has been a landmark in its field for thirty years It provides a lucid and totally up to date introduction to psychology for teachers Thoroughly revised this new edition incorporates recent research and developments and contains two new chapters on research in education and effective classroom strategies Professor Child covers all areas of education including classroom management teaching styles motivation special educational needs and assessment Special attention has been paid to current thinking policy and practice *Psychology and the Teacher* has been specifically designed to meet the requirements of student teachers as well as those of experienced teachers and educationalists who need to renew their acquaintance with psychology

The School Librarian ,2002 **Health and Safety in Early Years and Childcare** Bernadina Laverty,Catherine Reay,2014-03-24 A practical guide to health and safety in early years settings with a step by step guide to the law compliance and practical application *People Management* ,2009 The Times Index ,2010 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement **Bullying** Great Britain: Parliament: House of Commons: Education and Skills Committee,2007-03-27 There has been an increasing awareness over the past few decades of bullying and the effect it has on the educational and social achievements of children and young people The Committee s report examines the progress that has been made to address this problem since the introduction of the Don t Suffer in Silence pack in 1994 the barriers that prevent schools from tackling bullying effectively issues of prejudice driven bullying including SEN related homophobic and faith based bullying and cyber bullying The report finds that defining what bullying is and identifying instances of bullying is the first potential barrier to successfully tackling the problem Teachers and staff pupils and parents should all be aware of their school s definition of bullying and how this affects their own behaviour with the attitude and engagement of head teachers vital to tackling bullying The focus of anti bullying guidance should be tackling bullying behaviour and making it clear that such behaviour is not acceptable rather than attempting to change the behaviour of the victim The DfES should issue new guidance to local authorities and schools on when the use of exclusion is appropriate The lack of accurate reliable data on bullying is another barrier to more effective anti bullying work and the Government should commission a long term study of a number of schools looking at both general trends in bullying and also the effectiveness of different approaches in different circumstances The report also recommends that the Government needs to foster a culture where schools are encouraged to be open about incidents of bullying have effective ways of dealing with bullying when it occurs and provide support the victims of bullying rather than fearing reporting incidents of bullying will damage their reputation **Surviving and Thriving in the Secondary School** Susan Capel,Julia Lawrence,Marilyn Leask,Sarah Younie,2019-10-01 With an emphasis on developing a reflective resilient approach that will ensure both effective teaching and teacher well being *Surviving and Thriving in the Secondary School* covers key issues that may be encountered in the day to day practice of teaching in the secondary school With evidence based practice at the forefront this volume allows new teachers to avoid common pitfalls of teaching and it will help provide a new found confidence within the classroom Including a wide range of tasks that will help guide and demonstrate successful practice this book covers topics and concerns such as Building relationships within teaching Managing and responding to change Becoming an inclusive educator Working to improve classroom climate and pupil behaviour Assessment homework and marking Inclusion of digital technologies and ICT Looking after yourself and your professional development *Surviving and Thriving in the Secondary School* can be utilised to help support and provide ideas on specific areas of concern or it can be read as a continuing professional development CPD
