THE ANIMAL-LOVER'S BOOK  
OF BEASTLY MURDER

# Little Tales Of Misogyny

**Victor M. Corman**

## Little Tales Of Misogyny:

**Little Tales of Misogyny** Patricia Highsmith, 2012-05-28 These stories once you get the hang of them are very wicked very funny and this being Highsmith's mission in life as far as one can tell very unsettling The Guardian With an eerie simplicity of style Highsmith turns our next door neighbors into sadistic psychopaths lying in wait among white picket fences and manicured lawns In the darkly satiric often mordantly hilarious sketches that make up Little Tales of Misogyny Highsmith upsets our conventional notions of female character revealing the devastating power of these once familiar creatures The Dancer The Female Novelist The Prude who destroy both themselves and the men around them This work attests to Highsmith's reputation as the poet of apprehension Graham Greene Little Tales of Misogyny Patricia Highsmith, 1995 *The Talented Miss Highsmith* Joan Schenkar, 2010-01-18 A biography of the novelist who created Tom Ripley that is both dazzling and definitive as original as its contemptible miserable irresistible subject Los Angeles Times A New York Times Notable Book A Lambda Literary Award Winner An Edgar Award Nominee An Agatha Award Nominee A Publishers Weekly Pick of the Week Patricia Highsmith one of the great writers of twentieth century American fiction had a life as darkly compelling as that of her famed hero criminal the talented Tom Ripley Joan Schenkar maps out this richly bizarre life from her birth in Texas to Hitchcock's filming of her first novel Strangers on a Train to her long strange self exile in Europe We see her as a secret writer for the comics a brilliant creator of disturbing fictions and an erotic predator with dozens of women and a few good men on her love list The Talented Miss Highsmith is the first literary biography with access to Highsmith's whole story her closest friends her oeuvre her archives It's a compulsive page turner unlike any other a book worthy of Highsmith herself Schenkar's writing is witty sharp and light handed a considerable achievement given the immense detail Jeanette Winterson The New York Times Book Review This is no ordinary biography The Talented Miss Highsmith breaks much ground in connecting Highsmith's diabolical tales with the real women who prompted her strongest passions Janet Maslin The New York Times Captures the writer in all her sullen sinister ambivalent glory Tina Jordan Entertainment Weekly Rewriting/Reprising Georges Letissier, 2009-10-02 This volume comprises sixteen essays preceded by an introductory chapter focusing on the diverse modalities of textual and more widely artistic transfer Whereas the first Rewriting Reprising volume coord by C Maisonnat J Paccaud Huguet its subversive potential is perceptible notably through its many attempts at emancipating the genre from the ideological fetters of gender Over the past two decades Victorian literature and culture has become an inescapable field of investigations to any study on intertextuality in the English speaking world In a second part diversity has been preferred to any single specific angle to approach the Victorian neo Victorian tropism The purpose is to provide as complete a spectrum as is reasonably possible in such a volume The practice of rewriting in the Victorian age is thus studied alongside contemporary appropriations of the Victorian canon The question is raised of whether literary fetishism may not result in a form of counterfeit classicism while the more challenging neo

Victorian rewritings would make a claim for the need to choose one's literary heritage and ancestors. This is where the post colonial agenda comes in. Precisely the third part investigates the question of rewriting, reprising as a way of writing back. The myth of Frankenstein's creature bent on wreaking vengeance on his creator is of course seminal as it offers a myth of transgression which in its turn becomes a foundation myth. Not only are post colonial responses to their disclaimed parent texts highly theory informed but they also evince an awareness of such contemporary issues which are direct consequences of the colonial past. In the last section of this volume the scope of what comes within the range of intertextuality per se is widened to cover artistic dialogism. In the exchanges between theatrical texts, reprise may be construed as a metaphor standing for the pleasure inherent in the process of recreation. The interaction between embedded paintings and the embedding canvas offers yet another variation on the reprise motif as does the meta-aesthetic discourse of the critic on the work of art. What begins as mere repetition is soon colored by the personal inflections of the interpreter. In operatic performances updating a classical text to make it suitable to contemporary audiences and in close harmony with the role assigned to music is liable to spur on the creativity of recreation.

*Anxiety and Evil in the Writings of Patricia Highsmith* Dr Fiona Peters, 2013-05-28. Drawing on an impressive range of secondary material including many elusive reviews, interviews and articles from the under-explored Highsmith Archive, Fiona Peters suggests that the usual generic distinctions—crime, fiction, mystery, suspense—have been largely unhelpful in elucidating Patricia Highsmith's novels. Peters analyzes a significant selection of Highsmith's works chosen with a view towards demonstrating the range of her oeuvre while also identifying the main themes and preoccupations running throughout her career. Adopting a psychoanalytic approach, Peters proposes a reading of Highsmith that subordinates murder as the primary focus of the novels in favor of the gaps between periods of activity represented through anxiety, waiting, lack of desire, and evil. Her close readings of the Ripley series, *This Sweet Sickness*, *Deep Water*, *The Tremor of Forgery*, and *The Cry of the Owl*, among others, reveal and illuminate Highsmith's concern with minutiae and the particular. Peters makes a strong case that the specific disturbances within her texts have resulted in Highsmith's writing remaining resistant to explication and to the more sophisticated interpretative strategies that would seek to position her within a specific genre.

**Sour Tales for Sweethearts** Patricia Highsmith, 2015-01-22. This poisonous little book contains four wicked stories of love gone wrong. Taken from *Little Tales of Misogyny*, Highsmith's satirical cultish short story collection, these dark and often funny sketches reveal how your lover may not always have your best interests at heart.

*Mistresses of the Dark*, 2002. The dark side of life lurks just around the corner from the safe avenues of the familiar. In *Mistresses of the Dark*, twenty-five leading female writers dare to stray from the path of the ordinary and venture into the shadows. Nadine Gordimer imagines a nightmare relationship between a father and son. Eudora Welty and Flannery O'Connor conjure grim Gothic visions of private desperation. Specters of loss haunt tales by Alison Lurie and A.S. Byatt, and an atmosphere of unease blows through stories by Shirley Jackson and Doris Lessing. The contributors include a Nobel laureate.

a Pulitzer Prize winner and recipients of the Booker Prize and the National Book Award      Current Biography Yearbook, 1990      **Lesbian and Bisexual Fiction Writers** Harold Bloom, 1997 Covers 200 of the most important women writers of English Groups authors culturally and by genre from 18th century diarists to new writers of experimental prose Each volume covers approximately 15 authors and includes a concise biography a selection of critical extracts and a complete and up to date bibliography of the author s publications      *100 Masters of Mystery and Detective Fiction: Margery Allingham* Fiona Kelleghan, 2001 This collection surveys 100 of the writers who have made the most lasting contributions to the genre Most articles are 2 500 words with longer articles on such major figures as Raymond Chandler Dashiell Hammett Ellery Queen and Rex Stout Handy ready reference listings are designed to accommodate the unique characteristics of mystery and detective fiction including author s pseudonyms types of plots principal series and principal series characters and even a glossary of terms peculiar to the genre Reference elements include a complete up to date list of authors works a glossary of mystery and detective fiction terms annotated bibliographies a time line an index of series characters and a list of authors by plot type      **Whitaker's Cumulative Book List**, 1981      **The Modern Library Writer's Workshop** Stephen Koch, 2003-04 The Modern Library Writer s Workshop presents a treasure trove of useful advice inspiring wisdom and encouraging support for the beginning fiction writer by the former chair of the graduate writing program at Columbia University      **Critical Survey of Short Fiction: James T.
