Castles in the Air Kenneth Khulekani Khoza, 2013-12-27 *Castles in the Air* is an attempt to open discussions on some often overlooked issues which affect education particularly in rural and township government schools In order to make it a truly South African drama I have drawn from oral tradition by including songs and poems which play an integral part in traditional storytelling There are many folksongs which were included in earlier versions but I decided to remove them in the final version because I did not intend to write a musical There are also some praise poems that I composed for the main character and his father I studied oral tradition and I am confident that the praise poems I composed have all the qualities of the real praise poems and because I could not compose them in English I therefore wrote them in isiZulu with translations in the glossary at the end

The Standardisation of African Languages ,2008 **Pure Maths** Peter Sherran, Janet Crawshaw, 1997 A good grade at A Level or Scottish Higher Grade can depend on the student's ability to tackle exam questions confidently and to understand the technique involved in answering questions accurately The aim of this text is to help students learn how to answer questions in an exam environment It provides an insight into the mind of the examiner highlighting what makes a good answer how marks are allocated and what the most common mistakes are Questions are taken from past papers or newly written by the authors with revision summaries answers with full working and examiner's tips They are an ideal complement to A Level study guides
