Maths Paul Broadbent,2010-10 Complete coverage of the KS2 Maths curriculum is provided in this accessible revision guide Your child can prepare for in school assessments and test with confidence The engaging characters motivate children to test their knowledge and improve their understanding of the topics covered in school KS2 Success Workbook Science Paul Broadbent,2010-10 Presents an approach that has been developed with schoolteachers and students to ensure a finished product able to meet their revision needs for both school and home revision This title includes topics that are arranged into sound bite text boxes for easy recollection contains tips on each page and features a mock SATs exam This title presents a range of clear and accessible KS1 and KS2 English Maths and Science Workbooks to accompany our new style Success Revision Guides The new approach for this range has been developed with schoolteachers and students to ensure a finished product able to exactly meet their revision needs for both school and home revision Each topic covered in the Revision Guide is tested in the Workbooks to give students additional practice and ensure all material is thoroughly understood Topics are arranged into sound bite text boxes for easy recollection Top tips on each page give further advice and a mock SATs exam at the end of each book prepares and builds confidence in advance of the SATs English Paul Broadbent,2007-09 This revision guide for Key Stage 3 English contains in depth course coverage and advice on how to get the best results in the Year 9 National Test It has progress check questions and exam practice questions **Science** Lynn Huggins-Cooper,Paul Broadbent,2010-10 In this volume each topic takes up a double page spread with the sub topics arranged into sound bite text boxes for easy recollection A host of features point out key terms encourage additional learning and suggest fun ways to further explore the topics **French (inc. Audio CD)** Julie Adams,2010-10 Containing activities as well as a host of useful features this book intends to aid understanding and an appreciation of the French language and culture It is accompanied by an audio CD that provides listening activities and helps students with their pronunciation It includes progress checks practice questions and a mock Key Stage 3 exam This is a revised updated and reformatted edition of our long standing French Study Guide to be brought in line with other revised editions in the Study Guide series The book is pumped full of activities as well as a host of useful features intended to aid understanding and a fuller appreciation of the French language and culture An accompanying audio CD provides listening activities and helps students with their pronunciation Knowledge is tested throughout with progress checks at the end of every chapter practice questions at the end of each section and a mock Key Stage 3 exam at the end of the book The Children's Buyer's Guide ,2006 **Assessing Children's Mathematical Knowledge** Barry Cooper,Máiréad Dunne,2000 In many countries the lives of teachers and children are increasingly dominated by programmes of national testing of mathematics and other subjects In England the majority of the items in such tests have set mathematical tasks in every day situations such as shopping Assessing Children s Mathematical Knowledge draws on the analysis of National Curriculum test data from more than 600 children of 10 11 and 13 14 years of age as well

as in depth interviews with 250 of these as they attempt to solve test problems in order to explore the nature of the difficulties children experience with realistic items The book shows by comparing test and interview data that many children as a consequence of their confusion over the requirements of realistic test items fail in tests to demonstrate mathematical knowledge and understanding that they actually possess The book also explores whether this problem of invalid measurement is equally spread across children from different social backgrounds and across the sexes The book will be of interest to academics and teachers studying for advanced degrees in mathematics education sociology of education and educational assessment
