Leveraging LinkedIn Fred Coon, David Meadows, Denise Rutledge, 2014-01-30 You are in a contest where there is only one winner They will not hire two of you for the same job The job applicant who has a LinkedIn profile is ahead in the competition And the job applicant who has an optimized LinkedIn profile is even further ahead The majority of recruiters 95% and companies 84% use LinkedIn to find their talent Of course they still review resumes But the truth be told most of the recruiters in America are younger They revel in online activity They use LinkedIn When a recruiter or a company wants to find a specific set of skills they go to LinkedIn and search However if you think slapping your resume up on LinkedIn is the solution to that problem then you are not being seen by the majority of companies or recruiters Why Because a properly optimized LinkedIn profile will be easily found and a slapped up job won't It is as simple as that If you don't know what the tricks to doing this are then you are already a step behind your competition Don't be like 95% of job seekers who
