**Annelies Wilder-Smith**

## **Linnets And Valerians:**

**Linnets and Valerians** Elizabeth Goudge, 1992 Left in the care of their strict grandmother the four Linnet children still have a happy summer with Uncle Ambrose his one legged gardener and the people of a small English village Linnets and Valerians , Linnets and Valerians Kgt Elizabeth Goudge, 1967-02-01 *Linnets and Valerians ... Illustrated by Ian Ribbons* Elizabeth Goudge, 1964 *The Runaways* Elizabeth Goudge, 1996 First published 1964 as LINNETS AND VALERIANS **Beyond the Snow** Christine Rawlins, 2015-08-28 This is a much needed study of a remarkable life Elizabeth Goudge was not only a sensitive and acute artist in fiction but a profoundly insightful commentator on the processes of growing up spiritually and morally She fully deserves the kind of sympathetic and appreciative exploration provided by this book Rowan Williams 104th Archbishop of Canterbury Elizabeth Goudge once said she had done no exciting things none of the wonderful things that some people do Yet her achievement was wonderful From the stuff of her own life even the hard things like depression and nervous breakdown even the Christian faith that upheld her throughout she created best selling books that were read worldwide throughout the forty years of her career and are still being read today J K Rowling has said that her favourite childhood book was *The Little White Horse* recently filmed as *The Secret of Moonacre* **Beyond the Snow** is an appreciation of Miss Goudge's life and work that attempts to look beyond her memoirs by linking them to her books and letters and the recollections of family and friends It examines in particular her Christian faith and its illuminating influence on everything she did and was As Alan Walton said reviewing *The Joy of the Snow* there is nobody like her **Readers In Wonderland** Deborah O'Keefe, 2004-08-03 O'Keefe examines a wide range of children's fantasy books and draws on her own experiences as a sympathetic reader as well as on the views of psychologists and social theorists *Readers in Wonderland* ranges from William Steig's small picture books to J R R Tolkien's epic series from utopias like L Frank Baum's *Oz* to dystopias like Virginia Hamilton's *Dustland* from less known works like Patricia Wrightson's to the phenomenon that is J K Rowling's *Harry Potter* from time travel to parallel worlds and from magical transformations and wishes that come true to lonely journeys and huge battles of good against evil **BOOK JACKET** Children's Culture and the Avant-garde Marilynn Strasser Olson, 2012 This volume explores the mutual influences between children's literature and the avant garde Olson places particular focus on fin de siècle Paris where the Avant garde was not unified in thought and there was room for modernism to overlap with children's literature and culture in the Golden Age The ideas explored by artists such as Florence Upton Henri Rousseau Sir William Nicholson Paula Modersohn Becker and Marc Chagall had been disseminated widely in cultural productions for children their work in turn influenced children's culture These artists turned to children's culture as a new way of seeing allied to a contemporary interest in international artistic styles Children's culture also has strong ties to decadence and to the grotesque the latter of which became a distinctively Modernist vision This book visits the qualities of the era that were defined as uniquely childlike the relation of childhood to high and low art and the

relation of children's literature to fin de siècle artistic trends Topics of interest include the use of non European figures the Golliwogg approaches to religion and pedagogy to oppression and motherhood to Nature in a post Darwinian world and to vision in art and life Olson's unique focus covers new ground by concentrating not simply on children's literature but on how childhood experiences and culture figure in art      **Wisconsin Library Bulletin** ,1965      **Top of the News** ,1970
