Guide CD-ROM 301cd CD-Rom, 2011-03-16 During World War II four children Peter Susan Edmund and Lucy are sent to stay at the country home of an old professor During a game of hide and seek Lucy steps into a wardrobe only there seems to be no end to it Just when she thinks she's found the back she steps out into a wintry forest and the land of Narnia There she meets a Faun named Tumnus who tells her how the White Witch has used her magic to make it always winter in Narnia but never Christmas She returns home to tell the rest of the children about Narnia but when they check out her story the magic wardrobe appears to be normal Later attempting to hide from the housekeeper all four children enter the wardrobe and find themselves in Narnia There they learn that the White Witch has arrested Tumnus because of his kindness to Lucy They also learn that the Witch seeks to capture the four children whose presence in Narnia according to an old Narnian prophecy signals the end of her reign While the Witch races to capture the children the children hurry to meet Aslan the rightful ruler of Narnia Aslan has returned to release Narnia from the Witch's magical winter Though Aslan's victory seems certain the Witch has a few tricks up her sleeve and the price of saving Narnia from total destruction is beyond what the children can imagine Interactive CD rom **100 Top Picks for Homeschool Curriculum** Cathy Duffy, 2005 A critical volume for the

goodness beauty and faith How did they do it For the first time historian Joseph Loconte explains how the catastrophe of World War II transformed the lives and literary imagination of Tolkien and Lewis The mechanized slaughter of the First World War had created a storm of disillusionment with the political and religious ideals of Western civilization The new ideologies of Modernism communism Nazism and totalitarianism rushed to fill the vacuum At stake was a contest between civilization and barbarism Tolkien and Lewis sought each other out in friendship and threw themselves into the struggle The War for Middle earth explores how their most beloved works The Hobbit The Lord of the Rings The Chronicles of Narnia Mere Christianity were conceived in the shadow of the most devastating and dehumanizing war in history Like no other authors of their age Tolkien and Lewis used their imagination to reclaim for their generation and for ours those deeds of valor and virtue and love that have always kept a lamp burning even in the deepest darkness In The War for Middle earth you will be inspired by Tolkien's and Lewis's Christian imagination which even today has the power to transform hearts desperate for hope and truth Find encouragement and strength to resist evil in our own day Discover how a biblical view of truth and beauty can light the path out of the deepest darkness Combining a careful study of history and compelling storytelling The War for Middle earth reveals the remarkable achievement of these authors and friends a recovery of heroism and faith despite deep sorrow and suffering Here are enduring lessons for today's cultural moment and essential reading if you want to discover how great stories can reveal great truths
