**Choosing a Personal Essay Topic** R.E. Myers,2009-09-01 The process of writing a personal essay is not easy Help your students develop this important skill by giving them practice with choosing topics **Writing & Selling Short Stories & Personal Essays** Windy Harris,2017-09-19 Write It Short Sell It Now Short stories and personal essays have never been hotter or more crucial for a successful writing career Earning bylines in magazines and literary journals is a terrific way to get noticed and earn future opportunities in both short and long form writing Writing Selling Short Stories Personal Essays capitalizes on the popularity of these genres by instructing on the two key steps to publishing short works crafting excellent pieces and successfully submitting them You ll learn how to Develop different craft elements including point of view character dialogue scene writing and more specifically for short stories and essays Recognize the qualities of excellent short works using examples from recently published stories and essays in major journals Understand the business of writing short from categorizing your work and meeting submission guidelines to networking and submitting to writing contests Master the five step process for submitting and selling like a pro Featuring advice and examples from a multitude of published authors Writing Selling Short Stories Personal Essays is a must have for any writer s bookshelf **Powerful College Admission Essays** Brennan Barnard,Shereem Herndon-Brown,2025-09-23 This book is a comprehensive guide for students and their families who want to craft compelling essays for college applications that showcase their unique stories and personalities The book s coauthors have extensive experience as admission officers counselors and coaches Provided by publisher

Counseling 21st Century Students for Optimal College and Career Readiness Corine Fitzpatrick,Kathleen Costantini,2022-02-17 This second edition presents an updated action based curriculum for high school counselors that will meet the needs of 21st century students helping to foster their growth and engage them in learning what they need to succeed beyond high school This book takes a comprehensive developmental approach focusing on 9th 12th grade students rather than solely on those in 11th and 12th grade It provides a model for developing and enhancing a successful college advising office as well as essential advice on methods of working with parents Specific topics discussed include successful transition to 9th grade using technology in the college and career advising process assisting and advising students in college research and application and helping seniors make successful transitions to college There is also a special focus on students in urban and rural schools to enable them to have the same enriched experiences in their college and career advising program as those students in private and suburban schools The curriculum is geared for use by school counselors college advisors and readers in graduate counseling student courses Write Yourself In Eric Tipler,2024-06-11 Write authentic memorable college essays that will help you get into the right school for you with this guidebook from a veteran college admissions expert Every spring over one million high school juniors embark on an annual rite of passage applying to college And with college admission rates at an all time low getting into a competitive school is now tougher than ever At the top

schools a strong transcript and great test scores will get your application noticed but it's your essays and the personal story that they highlight that will get you admitted But often students don't know where to start Teens fret over topics because they don't know what college admissions officers are looking for They bend over backwards to write what they think colleges want to read instead of telling their authentic story which is what admissions officers actually want in a way that will resonate with their readers They also struggle because college essays which are narrative first person and introspective require a different set of skills from academic expository writing they've been learning for years in the classroom Seasoned college admissions expert and educator Eric Tipler has seen this firsthand Teens and their parents spend countless anxiety filled hours crafting and refining essays that are often lackluster In *Write Yourself In* Tipler meets students where they are and provides comprehensive actionable advice in a warm and conversational tone He demonstrates how to craft a winning essay one that is authentic vulnerable and demonstrative of qualities like personal growth and emotional maturity Instead of formulas *Write Yourself In* gives students step by step processes for brainstorming outlining writing and revising essays It encourages them to seek out feedback at key points in the process something Tipler has found to be vital to helping students produce their best writing Further the book includes sidebars that teach essential components of good storytelling a secret weapon in the admissions process In addition to the admissions essay *Write Yourself In* also covers the most common supplemental essays on topics like community diversity openness to others viewpoints and why their school is a good fit for the student scholarship essays as well as scholarship essays Tipler includes sections that address current topics like the widespread use of ChatGPT and the discussion of race in the admissions essay a facet of the student's application that will have newfound importance given the Supreme Court decision on affirmative action Written with both the parent and teen in mind *Write Yourself In* is the go to handbook for writing a great college essay
