Listening To Learn Audiobooks Supporting Literacy Lizette D Hannegan:

Listening to Learn Sharon Grover, Lizette D. Hannegan, 2011-11-17 Listening to Learn connects audiobooks with K 12 curricula and demonstrates how the format can support national learning standards and literacy skills **Technology and Literacy** Jennifer Nelson, Keith Braafladt, 2012 Explains why it is important for libraries to offer rich media technology based programs for youth and how you can do it in your library Audiobooks for Youth Mary Burkey, 2013 Audiobooks are now a staple in most public and school libraries and with good reason since they have a clear role in the education of today's born digital generation Burkey who has been following their rise in popularity for years combines a fascinating history of the medium and practical tips for using them in a readable guide applicable to school and public librarians as well as classroom teachers Enriched with reflections and comments from authors audiobook narrators producers reviewers and librarians this book Shows how audiobooks not only benefit struggling readers and bring families together but also fit neatly within newly accepted standards for early literacy education Demonstrates how to use audiobooks as classroom and library tools for learning Identifies how to locate must have audiobooks and offers advice for maintaining a collection Including an overview of the major audiobook awards and lists of additional resources Burkey's guide will help librarians and educators unlock the educational potential of audiobooks for youth Every Child Read for School Dorothy Stoltz, Elaine M. Czarnecki, Connie Wilson, 2013-06-21 The topic of early literacy continues to gain momentum in educational circles But early literacy storytimes are only one way libraries can contribute The authors of this innovative training handbook offer many more Reflecting the combined expertise of a reading specialist an outreach librarian and an early literacy trainer Every Child Ready for School keeps libraries at the forefront of early literacy and school readiness information delivery Focusing on training the caregiver this handbook Explains how to help day care providers homeschoolers and others who care for young children foster school readiness skills among their charges Arms librarians with a step by step workshop model with tips on implementing and evaluating the program Provides guidance for coordinating workshops with other library early literacy initiatives Includes resources and activities to share with participants Presenting models which can be easily adapted to state mandated school readiness requirements Every Child Ready for School helps libraries fashion their own innovative community early literacy outreach programs Library Programs and Services G. Edward Evans, Margaret Zarnosky Saponaro, Holland Christie, Carol Sinwell, 2015-06-30 Covering every essential topic ranging from circulation and literacy instruction to reference and security this benchmark text provides an up to date broadly based view of library public service and its functions Supplying essential foundational reading for students of library public services as well as an up to date overview for practitioners who wish to refresh their knowledge or acquaint themselves with a new area of responsibility this book's broad and solid coverage will benefit anyone concerned with developing or maintaining the public face of the library A revision and expansion of Libraries Unlimited's Introduction to Library Public Services Seventh Edition this edition has new chapters covering such topics as e

resources collections print and other media and facilities and funding Additionally every chapter has been substantially updated and reorganized to better reflect the role of technology in library services today The book begins with background information on public services in libraries and an analysis of the library s public service philosophy Then the authors delve into staffing and assessment of services moving logically to major functional areas of public services reference instruction document delivery circulation and reserves collections programming safety and security issues and facilities and funding Real life anecdotes from public academic and school libraries illustrate principles and concepts throughout the book For each topic the authors detail its role and philosophy and offer key points to remember references and lists for further reading

Including Families of Children with Special Needs Carrie Scott Banks,Sandra Feinberg,Barbara A. Jordan,Kathleen Deerr,Michelle Langa,2014 More than 6 5 million children in the US receive special education services in any given community approximately one child out of every six will get speech therapy go to counseling attend classes exclusively with other children with disabilities or receive some other service that allows him or her to learn This new revised edition is a step by step guide to serving children and youth with disabilities as well as the family members caregivers and other people involved in their lives The authors show how staff can enable full use of the library s resources by integrating the methods of educators medical and psychological therapists social workers librarians parents and other caregivers Widening the scope to address the needs of teens as well as preschool and school age children this edition also discusses the needs of Spanish speaking children with disabilities and their families looking at cultural competency as well as Spanish language resources Enhanced with checklists stories based on real experiences descriptions of model programs and resources and an overview of appropriate internet sites and services this how to gives thorough consideration to Partnering and collaborating with parents and other professionals Developing special collections and resources Assessing competencies and skills Principles underlying family centered services and resource based practices The interrelationship of early intervention special education and library service This manual will prove valuable not only to children s services librarians outreach librarians and library administrators but also early intervention and family support professionals early childhood and special educators childcare workers daycare and after school program providers and policymakers
