Ireland in the Life and Work of C.S. Lewis David Clare, 2025-08-14 Even after he achieved world wide fame through books such as The Lion The Witch and The Wardrobe and The Screwtape Letters the Belfast born author C S Lewis often regarded as uncomplicatedly English by critics and the general public proudly and regularly described himself as Irish What's more he frequently incorporated Irish elements into his work This includes for example numerous allusions to Irish mythology the repeated employment of Hiberno English and Ulster Scots words and expressions and a preference for tropes frequently found in Irish and sometimes specifically Ulster Protestant writing **Lit Up Inside / Keep 'Er Lit** Van

Morrison, 2025-09-09 Featuring the lyrics to over two hundred songs and with a foreword by John Cooper Clarke this is the work of a contemporary master collected for the first time in a single beautiful volume The reader will find examples of all the features of the world that Van Morrison has created through his work the back streets and mystic avenues memories of

childhood wonder and of adult work the chime of church bells and the playing of the radio the generous naming of other artists and the joy of solitude love and sharp dealing consolation and grace This volume gives an overview of his sixty year career revealing why he is celebrated as one of the most innovative and enduring songwriters of our time The Places of Van Morrison's Songwriting Geoff Munns,2022-12-21 What can we learn about Van Morrison's life and work as a songwriter through his songs This book looks closely at the lyrics and music from a selection of his songs Some are very well known Brown Eyed Girl Cleaning Windows and The Healing Game Others are less familiar Through these songs the book offers insights into some of the most important ideas that the songwriter has explored across his five decade plus career starting from the Them period and extending through his solo albums These readings show how thinking about Morrison's use of place provides a specific lens that contributes to a greater understanding of his art The songs are organized into chapters that reflect many of the important places in Morrison's work as he ventured professionally and imaginatively away from the places of his upbringing towards a wider musical world These places are in city streetscapes and country landscapes in home places of streets and ditches in the enclosed spaces of rooms in the expansive reaches of the natural world in indeterminate and specific foreign lands A picture emerges of the journey that Van Morrison details through his songs one that sees him first wandering as a boy through his East Belfast haunts and then venturing out to a wider world away from this local place

Keep 'Er Lit Van Morrison,2020-03-03 This mix of genuine humility and hard won hubris of mysticism and technical mastery makes Van Morrison quite simply and quite indisputably The Bard of Belfast Paul Muldoon If I ventured in the slipstream Between the viaducts of your dreams Keep 'Er Lit is the second volume of Van Morrison's collected lyrics containing one hundred and twenty songs from across his storied career It contains love songs work songs songs about the pains and anxieties of existence songs of consolation songs about various kinds of spiritual quest and the realms of the mystical and songs which deal with healing and reconciliation both with the self and with others Then there are the songs of memory and of childhood songs about the natural world and about the perspectives it can provide on time Taken together with Lit Up Inside this volume gives an overview of his fifty year career revealing why he is celebrated as one of the most innovative and enduring songwriters of our time **Navigating the Transnational in Modern American Literature and Culture** Tara Stubbs,Doug Haynes,2017-03-16 This study develops the important work carried out on American literature through the frameworks of transnational transatlantic and trans local studies to ask what happens when these same aspects become intrinsic to the critical narrative Much cultural criticism since the 1990s has sought to displace perceptions of American exceptionalism with broader notions of Atlanticism transnationalism world system and trans localism as each has redefined the US and the world more generally This collection shows how the remapping of America in terms of global networks and as a set of particular localities or even glocalities now plays out in Americanist scholarship reflecting on the critical consequences of the spatial turn in American literary and cultural studies Spanning twentieth and twenty first

century American poetry fiction memoir visual art publishing and television and locating the US in Caribbean African Asian European and other contexts this volume argues for a re modelling of American ness with the transnational as part of its innate rhetoric It includes discussions of travel migration disease media globalization and countless other examples of inflowing Essays focus on subjects tracing the contemporary contours of the transnational such as the role of the US in the rise of the global novel the impact of Caribbean history on American thought and vice versa transatlantic cultural and philosophical genealogies and correspondences and the exchanges between the poetics of American space and those of other world spaces Asking questions about the way the American eye has traversed and consumed the objects and cultures of the world but how that world is resistant this volume will make an important contribution to American and Transatlantic literary studies
