

The little mermaid princess, Ariel, and her six older sisters—Aquata, Alana, Andrina, Attina, Adella, and Arista—live in a glorious castle deep below the ocean. But growing up in a palace isn't easy...especially with seven teenage mermaids and a strict father all living under one roof!

Join the favorite characters from Disney's recent classic film *The Little Mermaid* as they discover that life under the sea is fun, fascinating,...and always full of surprises!

---

Attina has always been more interested in books than in boys, but lately her sisters have noticed that she's been spending even more time than usual at the library. They soon discover why—Attina has a crush on one of the boys who works there. She's too shy to ask him to the upcoming school dance herself, but when flirtatious Adella tries to help, she accidentally fixes Attina up with the wrong boy! Can the mermaids come up with a plan to give Attina's love story a happy ending?
