Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Jill E. Mitchell, 2020-10-20 Managerial Accounting Tools for Business Decision Making 9th Edition provides students with a clear introduction to the fundamental managerial accounting concepts needed for anyone pursuing a career in accounting or business. The primary focus of Managerial Accounting is to help students understand the application of accounting principles and techniques in practice through a variety of engaging resources and homework exercises. By connecting the classroom to the business world through real company examples, an emphasis on decision making and key data analysis skills appropriate at the introductory level, students are better prepared as future professionals in today's business world.

Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Jill E. Mitchell, 2025-01-22 Managerial Accounting 10th Edition by Jerry Weygandt, Paul Kimmel, and Jill Mitchell provides a practical introduction to managerial accounting with a hands-on active learning experience to improve student understanding, retention, and engagement. Students work through integrated practice at the point of learning with real-world connections and high-quality assessment ensuring they learn concepts more efficiently and understand the why and how of accounting application. In addition, Managerial Accounting 10th Edition includes a variety of hands-on activities and resources that enhance practical learning and key skills, including running cases, various data analytics assignments, and coverage of leading industry topics. These resources help develop critical thinking and business decision-making skills, preparing students for future job success no matter what path they take.

Financial & Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2015-01-07 Financial and Managerial Accounting 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Both in the print text and online in WileyPLUS with ORION, new opportunities for self-guided practice allow students to check their knowledge of accounting concepts, skills, and problem-solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessments questions. Weygandt Financial and Managerial Accounting is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. WileyPLUS with ORION is sold separately from the text.
