*Paperbacks in Print* ,1964      The Unexpected Adventures of Martin Freeman Neil Daniels,2015-04-02 MARTIN FREEMAN is one of Britain s best loved actors After being cast in bit parts and cameos such as The Bill his first onscreen role and the beat boxing Ricky C in Ali G Indahouse he made his big break as Tim Canterbury in The Office Freeman was later cast among other roles as the mundane character of Arthur Dent in the sci fi movie adaption of The Hitchhiker s Guide to the Galaxy and labelled an everyday bloke by journalists began to run the risk of being stereotyped However in 2010 he completely turned his career around when he took on the role of Dr John Watson in the incredibly successful Sherlock His biggest role followed as he portrayed Bilbo Baggins in The Hobbit trilogy and in recent years Freeman has shown a dark edge to his thespian skills by portraying Richard III in the West End and Lester Nygaard in the critically acclaimed US drama series Fargo An intensely private man Freeman is in a long term relationship with the actress Amanda Abbington whom he met on the set of the 2000 Channel 4 TV movie Men Only and who played his onscreen partner in Sherlock The Unexpected Adventures of Martin Freeman explores the rise to fame of this unassuming actor how he has successfully managed to avoid the pitfalls of stardom and how he has become one of the greatest actors of his generation It is a must read for any fan

Truly Mary Balogh,2020-04-07 Geraint Penderyn grew up in dire poverty with his mother in Wales until it was discovered that as she had always claimed he was the legitimate child of the Earl of Wyvern s deceased son Geraint was snatched away from all that was familiar and dear to him his mother his friends the girl he loved and sent to school in England to be educated as an English gentleman and future earl Now years later he is back as the new Earl of Wyvern only to discover that all is not well with his home and his people His fellow landowners and his own steward have been oppressing their tenant farmers and driving them from the land The farmers are fighting back by destroying the tollgates that have been erected to make it impossible for them to afford to travel to purchase supplies and market their goods Geraint s old friends scorn him as just another wealthy privileged English landowner Marged Evans the woman he had loved hates him passionately and blames him for the death of her husband Geraint is caught firmly between two worlds One of them that of the landowners he rejects the other that of his old friends rejects him He comes to the conclusion that the only way he can help his people and free them from oppression is to become one of them as their leader But it must be done secretly under a disguise that none of them will ever penetrate      The Bookseller ,1961      **Warhammer Armies** Rick Priestley,1993
