 so become more effective more quickly

Strategic Design Thinking Natalie W. Nixon, 2015-10-22 Who can design For too
 long that question has highlighted the supposed division between right brain dominant creative types and left brain dominant
 analytical types Such a division is not practical for preparing students to become innovative contributors to the complex
 world of design *Strategic Design Thinking* guides readers to cultivate hybrid thinking whether their background is design
 finance or any discipline in between This book is an introduction to an integrative approach using the lens of design thinking
 as a way to see the world The focus is on process instead of solution and on connecting disparate ideas instead of getting
 bogged down by silos of specialization Through this book students will be introduced to design management strategic design
 service design and experience design
