Maneb Examination Results For Mzimba North:

National Assembly Debates (Hansard). Malawi. Parliament,2000 *Climate Change and the Role of Education*

Walter Leal Filho,Sarah L. Hemstock,2019-11-28 This book offers insights into the educational dimensions of climate change and promotes measures to improve education in this context It is widely believed that education can play a key role in finding global solutions to many problems related to climate change Indeed education as a process not only helps young people to better understand and address the impact of global warming but also fosters better attitudes and behaviours to aid efforts towards mitigating climate change and adapting to a changing environment But despite the central importance of education in relation to climate change there is a paucity of publications on this theme Against this background the book focuses on the educational aspects of climate change and showcases examples of research projects and other initiatives aimed at educating various audiences It also provides a platform for reflections on the role education can play in fostering awareness on a changing climate Presenting a wide range of valuable lessons learned which can be adapted and replicated elsewhere the book appeals to educators and practitioners alike *Education Basic Statistics, Malawi ,1997*
