New Cambridge Advanced English Student's Book Leo Jones, 1998-09-10 New Cambridge Advanced English is the revised and updated edition of the popular Cambridge Advanced English. The course has been completely redesigned in full colour and its stimulating reading and listening extracts have been supplemented with new authentic reading texts and interviews. Theme units providing practice in spoken and written fluency alternate with language units which develop accuracy in grammar, vocabulary, functions and pronunciation. In addition, New Cambridge Advanced English now contains exam style exercises designed specifically to prepare candidates for the Cambridge CAE exam. The approach to the exam is low key, however, with guidance and notes on exam style exercises given in the Teacher's Book only. When used in conjunction with CAE Practice Tests, New Cambridge Advanced English makes the ideal preparation for the exam and is especially suitable for mixed classes of exam candidates and non candidates.

Dynamic Personal Adjustment Herbert L. Sachs, 1975. Gidget Pamela Robertson Wojcik, 2020-11-22. *Gidget: Origins of a Teen Girl*. Transmedia Franchise examines the multiplicity of books, films, TV shows and merchandise that make up the transmedia Gidget universe from the late 1950s to the 1980s. The book examines the Gidget phenomenon as an early and unique teen girl franchise that expands understanding of both teen girlhood and transmedia storytelling. It locates the film as existing at the historical intersection of numerous discourses and events including the emergence of surf culture and surf films, the rise of California as signifier of modernity and as the epicentre of white American middle class teen culture, the annexation of Hawaii, the invention of Barbie and Hollywood's reluctant acceptance of teen culture and teen audiences. Each chapter places the Gidget text in context, looking at production and reception circumstances and intertexts such as the novels of Françoise Sagan, the Tammy series, *La Dolce Vita* and *The Patty Duke Show* to better understand Gidget's meaning at different points in time. This book explores many aspects of Gidget, providing an invaluable insight into this iconic franchise for students and researchers in film studies, feminist media studies and youth culture.
