The Manager's Guide to Simple, Strategic, Service-Oriented Business Continuity Rachelle Loyear, MBCP, AFBCE, CISM, PMP, 2017-05-10 You have the knowledge and skill to create a workable Business Continuity Management BCM program but too often your projects are stalled while you attempt to get the right information from the right person Rachelle Loyear experienced these struggles for years before she successfully revamped and reinvented her company's BCM program In The Manager's Guide to Simple Strategic Service Oriented Business Continuity she takes you through the practical steps to get your program back on track Rachelle Loyear understands your situation well Her challenge was to manage BCM in a large enterprise that required hundreds of BC plans to be created and updated The frustrating reality she faced was that subject matter experts in various departments held the critical information she needed but few were willing to write their parts of the plan She tried and failed using all the usual methods to educate and motivate and even threaten departments to meet her deadlines Finally she decided there had to be a better way The result was an incredibly successful BCM program that was adopted by BCM managers in other companies She calls it The Three S's of BCM Success which can be summarized as Simple Strategic Service Oriented Loyear's approach is easy and intuitive considering the BCM discipline from the point of view of the people in your organization who are tasked to work with you on building the plans and program She found that most people prefer Simple solutions when they are faced with something new and different Strategic use of their time making their efforts pay off Service to be provided lightening their part of the load while still meeting all the basic requirements These tactics explain why the 3S program works It helps

you it helps your program and it helps your program partners Loyear says If you follow the Three S philosophy the number of plans you need to document will be fewer and the plans will be simpler and easier to produce I ve seen this method succeed repeatedly when the traditional method of handing a business leader a form to fill out or a piece of software to use has failed to produce quality plans in a timely manner In The Manager s Guide to Simple Strategic Sevice Oriented Business Continuity Loyear shows you how to Completely change your approach to the problems of BCM buy in Find new ways to engage and support your BCM program partners and subject matter experts Develop easier to use policies procedures and plans Improve your overall relationships with everyone involved in your BCM program Craft a program that works around the roadblocks rather than running headlong into them **The Manager's Guide to Bullies in the Workplace** Vali Hawkins

Mitchell,2016-07-15 As a manager you can usually handle disruptive employees But sometimes their emotional states foster workplace tension even making them a danger to others Your own confidence is at risk In The Manager s Guide to Bullies in the Workplace Coping with Emotional Terrorists noted counselor Dr Vali Hawkins Mitchell gives you sensible advice for keeping the bully from dominating the workgroup and destroying productivity and maintaining your own healthy emotional balance at the same time Sometimes the difficult person is an overt physical bully which makes it easy to simply fire the person Much of the time however the problems are more subtle and build up over periods of time They undermine your ability to manage your team and they can spread to the rest of the team destroying teamwork and productivity In this short book Dr Vali helps you to Recognize the types of upsetting work situations that bullies exploit to their own advantage such as change grief and violence Understand why emotional terrorists make it so difficult for you as a manager to deal with their behavior See the symptomatic tools and techniques of the emotional terrorist such as harassment lying to supervisors tampering with documents etc Conduct training to help other managers and team members recognize and handle the signs of impending emotional conflict you will love the Snakes in the Schoolyard exercise Know exactly what to say and not say when you must have a one on one interview with someone you consider to be a bully Be an effective manager in a world of challenges protecting and preserving the mental health of your employees and yourself Dr Vali uses realistic examples and humor to help you handle the challenges you face and to show the degree to which she really understands your situation With her guidance you will be more comfortable with knowing when you can handle the situation through simply being the good manager when you need to call in an outside mental health professional and when you need to call 911 **Skills for**
