Principles of Macroeconomics Asia-Pacific Edition with Online Study Tool S 12 Months Robin Ellen Stonecash, Jan Libich, Joshua Gans, Stephen King, N. Gregory Mankiw, Martin Byford, 2017-09-15 The brief and student friendly approach of this book boils economics down to its essentials by considering what is truly important for students to learn in their first course in economics In keeping with the authors philosophy of showing students the power of economic tools and the importance of economic ideas this edition pays careful attention to regional and global policies and economic issues including the impacts of the ongoing global financial crisis inflation unemployment interest rates and monetary and fiscal policy Continuing global financial uncertainty and the current state of the Australian economy provide a constant supply of new material re evaluated models and policy changes and updates for the *Principles of Macroeconomics* text The book emphasises the material that students should and do find interesting about the study of the economy resulting in a focus on applications and policy and less on formal economic theory *Principles of Macroeconomics 7e* encourages students to make their own judgements by presenting both sides of the debate on five controversial issues facing policymakers the proper degree of policy activism in response to the business cycle the choice between rules and discretion in the conduct of monetary policy the desirability of reaching zero inflation the importance of balancing the government's budget and the need for tax reform to encourage saving

Canadian Macroeconomics N. Gregory Mankiw, 2014-05-09 This special edition of Greg Mankiw's intermediate macroeconomics textbook takes the same approach that made the parent text a bestseller but with coverage shaped to address fiscal policy monetary exchange rate policy deficit reduction and other critical economic issues from the uniquely Canadian perspective Like Mankiw's *Macroeconomics* the Canadian edition teaches fundamentals by relating theoretical concepts to big issues and policy debates but illustrates those ideas and discussions with examples and cases from Canada as well as research by Canadian economists

[Principles of Economics](#) N. Gregory Mankiw, 2001 In writing this textbook Mankiw has tried to put himself in the position of someone seeing economics for the first time The author's conversational writing style is superb for presenting the politics and science of economic theories to tomorrow's decision makers Because Mankiw wrote it for the students the book stands out among all other principle texts by intriguing

students to apply an economic way of thinking in their daily lives Receiving such a praise as perhaps the best ever textbook in economic principles it s no wonder Mankiw s prize project has quickly become one of the most successful books ever to be published in the college marketplace **Principles of Economics Asia-Pacific Edition with Online Study Tools 12**
