True Story Danielle J. Lindemann, PhD, 2022-02-15 Named a Best Nonfiction Book of 2022 by Esquire A sociological study of reality TV that explores its rise as a culture dominating medium and what the genre reveals about our attitudes toward race gender class and sexuality What do we see when we watch reality television In True Story What Reality TV Says About Us the sociologist and TV lover Danielle J Lindemann takes a long hard look in the funhouse mirror of this genre From the first episodes of The Real World to countless rose ceremonies to the White House reality TV has not just remade our entertainment and cultural landscape which it undeniably has Reality TV Lindemann argues uniquely reflects our everyday experiences and social topography back to us Applying scholarly research including studies of inequality culture and deviance to specific shows Lindemann layers sharp insights with social theory humor pop cultural references and anecdotes from her own life to show us who we really are By taking reality TV seriously True Story argues we can better understand key institutions like families schools and prisons and broad social constructs such as gender race class and sexuality From The Bachelor to Real Housewives to COPS and more so much more reality programming unveils the major circuits of power that organize our lives and the extent to which our own realities are in fact socially constructed Whether we re watching conniving Survivor contestants or three year old beauty queens these guilty pleasures underscore how conservative our society remains and how steadfastly we cling to our notions about who or what counts as legitimate or real At once an entertaining chronicle of reality TV obsession and a pioneering

work of sociology True Story holds up a mirror to our society the reflection may not always be pretty but we can't look away
